Next Neighbor Night meeting Tuesday evening, May 10th, with Bellefonte grange as host. The meeting will be held in the Fine Grove school building, a fine auditorium and unusually good arrangements for effective rendering of a program which at this time, will be presented by Penn State grange.

The program centers around "Obedience", special thought, "Mother's Day", emblem, Guideboard, color scheme, lavender and white; farm subject, Wild Flowers. Walker grange will fill the chairs. Try to be there.

No doubt plans are being completed for our "Go-to-Church" services on May 15th. We earnestly urge all grange members will cooperate in this and be in your place for worship on that Sunday, and to give more earnest thought to regular attendance at services in the months to come, remembering that the greatest and most important thing in life is to "Put First Things First."

Parts in the dramatic episodes to be presented at our Pomona meeting on the 28th of May are now being sent out and we have tried to arrange, as much as possible, so that granges participating in each of the four episodes can get together for rehearsal as they desire. Are you getting those old-fashioned costumes out of storage? If you do not have such, get your neighbor or friends to help you out, they may get interested in the grade and ask to join so they can see the fun, too. If not as many costumes found as are needed use some ingenuity such as turning up collars, adjusting ends of coats, etc., for the men's attire. I'm sure we will have costumes of all periods and all degrees. Aren't you getting anxious to see them? Well, the time will soon be here so let's work fast.

Rebersburg, by reading and dramatics, presented a good program on Fraternality. Every one thoroughly enjoyed the unusual number of good voices in the song numbers by the young men and young women, also the instrumental numbers. We find fine material for our Pomona Choir and Pomona Orchestra. We urge them to try their best to attend the rehearsals on May 16th. Musical talents are much to be desired in our county work and will assure us much enjoyment, a fine way to round out a dramatic episode. The play emphasized the benefit from people in a community working together for the good of all and led us to recall the fact that:

"What a man does for himself Dies with him; What he does for his community Lives forever."

A Favorite Poem. Goodbye, school house! Goodbye, books! My pocket's full of fishing hooks; I've found my old last year's straw hat. My swimming suit and baseball bag. I'm going to grandpa's house next week. And swim all summer in Sugar Creek. And whether it shines or whether it pours, Grandpa and I are going to live out-doors. We'll cook by the camp fire, and talk about When I'm old enough to be a scout, And we don't want to be in a house at all. 'Till the school bell rings again next fall.
