with them to watch. He was sitting C. Shuey, pastor. back of the clubhouse watching them play, when he noticed a squirrel sitting on the lower limb of the tree near the clubhouse. He did not think anything of this but kept his the lower limb again, watching for ders a Children's Day program.

"This told the tale of who was the player to the clubhouse and in charge. Sermon and worship in the tree. The club members en- evening. joyed the little animal's wit and would not kill it but decided to

drive it back into the forest. "They got ready for the chase. They formed two lines to keep the squirrel between the two lines. The two ends at the head were to guide it straight back to the forest. When some distance away from the tree. While the squirrel was after the together to keep the squirrel from getting back to the tree. This formed the two lines in a V shape. Then they started to drive the squirrel back into the forest. They drove it back several miles when they had to give up the chase, to get back out of the forest before dark.

"On the way back they decided to cut the squirrel's tree down. The next morning they got a man with an axe and he cut it in two above the squirrel's hole, then split it open. "When the tree was split open, they found several dozen tennis balls, pocketbook, pocket-combs, labreast pins tooth brushes, fountain pens, lead

pencils and other articles. There were enough balls and articles in that tree to fill a bushel basket level Divided between Gordon Vars, Phylfull. You can imagine the squirrel's lis Jodon. Honorable Mention, James pleasure in getting so many balls and articles."
