THE WEEKLY PAPER The weekly paper is quite an event. It tells us who's who. And just where they went. We like the weekly paper. For it has the latest news. With some history and previews. And perhaps a few pre-views.

To those who have moved away. Also this paper is sent. It is a weekly event. For no matter where we go. Or how far away we roam. We always like to hear about The folks back home.

When you receive your paper Don't forget remembrance. For after all you know Folks don't thrive on exaltation. L. S.
