Elliott, who has charge of electrocutions in six states, has written a series of articles for Collier's Magazine on his reactions as state executioner. The first of these articles will appear in next week's issue of Collier's. Entitled "And God Have Mercy on Your Soul," the articles will deal with his experiences at the Pennsylvania State Penitentiary in Centre county. Elliott says that to date he has pulled the switch to kill 370 men.
—Workmen are engaged in remodeling the interior and front of the Shaffer Store in the Keystone Gazette building on North Allegheny street. The old double doors at the entrance have been removed and have been replaced by one large door. A concrete ramp at an easy grade replaces the former step into the entrance. Brickwork with small ventilators will replace the cellar windows, and new shelving and display tables will provide more space for customers and a more attractive display of merchandise. Yesterday several large new white enamel show cases were placed in the store. With the improvements completed the store will be one of the most attractive groceries in Bellefonte.

—Mr. and Mrs. D. Miles Bender and family, of Willowbank street, will leave Friday for a weekend vacation at Port Royal, Juniata county. They will stop at Lewistown en route where their daughter, Lois Jean, will appear with the Bellefonte Banjo Band in a parade sponsored by the Lewistown Chamber of Commerce.
—Donald Kingsley, grandson of Mrs. Daise B. Kingsley, of East W. Zettle, Bellefonte, R. D. 3, Phone 604-J-2, was admitted to the law school of Dickinson College for a two-year course preparatory to entering some college to study for the ministry. Donald was graduated in June from the Bellefonte High school, where he established an excellent record for scholarship.
—The talking moving picture "Ten Nights in a Barroom," presented in the Court House on Saturday night, was a great success. The movie was packed to capacity and many were turned away. To give those turned away an opportunity to see the film, a return engagement has been booked. This picture will be shown the second time in the Court House on Saturday night at 7:30. No admission charge, but a free-will offering will be received.
—The Bellefonte and State College chapter, Daughters of the American Revolution, observed Constitution Day Saturday afternoon at a tea at the Presbyterian chapel, Bellefonte. Guests from the Phillipsburg, Lewistown, Jersey Shore and Lock Haven chapters were present. After the opening of the program with a salute to the flag and the singing of "America," Mrs. William C. Thompson, Bellefonte, read a paper on the Constitution. Mrs. Musser W. Gettig, Mrs. Mary Scott, pianists, and James Thompson, violinist, provided music during the afternoon. The program closed with a floral offering for the occasion.
—The Bellefonte High school football team will open the 1938 season at the Community Athletic field here at 3 o'clock, (Friday) afternoon against a strong team from Snow Shoe High. Bellefonte has been receiving unusually intensive training for this fall and on Monday evening four coaches were directing various phases of practice. Chief Coach John Miller was working with the first squad; assistant coach Glenn Amuller had another squad in tow; William Weisberg, new instructor at the high school, formerly of the State Teachers' College at California, Pa., was giving some linesmen a workout with the second squad. The backfield staff was coaching backfield members. Weisberg and Smith generously donated their services to the Red and White team.
—Particularly worthy of note in the women's parade here last Friday evening as the opening feature of the Undine Carnival, was the new pumper of the Fame Fire Company, Lewistown. The apparatus, manufactured by the Ahrens-Fox Company, and costing approximately \$15,000, can be described as being gorgeous. The truck is striking in appearance chiefly because the large 6-cylinder pump is mounted on the front of the chassis, where the motor usually is located. In back of the pump is the motor, and in the rear is a comparatively short bed for carrying hose and fittings. Trimmed in black, chrome and chromium, the large pump gleaming with chromium, the truck would cause comment in any parade. The Fame Company received the new pumper several weeks ago and it has not been created by the true motor man competition at this time. We predict the truck will carry fame to the Fame Company in any contest in which it may be entered, provided the same care in manufacture has been exercised on its machinery as was used on its external fittings. Another modern piece of apparatus appearing in the parade was a new ladder truck, the property of the City Hook and Ladder Company, Lewistown. The ladders on this truck are raised into position in a matter of seconds by a hydraulic jack operated by the true motor man power is required to raise the ladders or to put them in any desired position. Lewistown has five fire companies, all volunteer organizations similar to the ones in Bellefonte.
—The proposal made at the annual organization meeting of the Brooks-Doll Post, American Legion, Monday night, to establish a community swimming pool and playground at the Phoenix Mill property is one that deserves every consideration. Bellefonte has no outdoor swimming pools, no parks, no recreation centers. That the need for a swimming pool exists is evident on any warm summer day when Bellefonte residents flock to pools at Pleasant Gap, Hecla Park, Beech Creek, Moshannon, and other even more distant places to enjoy a sport which should be provided right here. Many children are forced to resort to small pools along Spring Creek, where there is always great danger of hidden rocks, tin cans, broken bottles and similar debris causing injuries. It is highly probable that the labor required in building a swimming pool and park at the Phoenix Mill would be provided by the Works Progress Administration. It is to be hoped that everyone joins with the Legion committee, or whoever is sponsoring the proposal, to bring the excellent idea into reality.

—We're open for business, even though the front of our store is being remodeled. We invite the public to visit our store and inspect our fall merchandise. Worth's Store, South Allegheny Street.

—Leroy Kelly, of Philadelphia, a student at the Bellefonte Academy in 1916 and one of the best quarterbacks on any Academy football team, called on friends here Monday while passing through town. Mr. Kelly married a Miss Wallace, former well known Bellefonte resident.
