Bellefonte Woman Hurt When Car Collides With Truck at Pleasant Gap

Tourth fatality in seven days in the Philipsburg area, happened at 2:45 p. m. The child was taken immediately to the sanitarium where he died three hours later of a fractured

The driver of the car which struck the youngster, according to local motor police, was traveling towards Osceola on the rural macadam road and noticed the youngster on the side of the road ahead of him. The child ran in front of the car when the car approached him and was struck by the bumper and grill. The child was picked up at the rear of the car, the car passing over his body without touching it.

Meyer was struck by the car in the middle of the road, the motor police stated. Thompson said he swerved the car to the left of the road in an effort to avoid hitting the young boy, but that the child continued in the same direction. The youngster had evidently been playing on the side of the road previous o the accident. (Continued on page aix)
