#### LAUNCH PROJECT TO COMPILE were taken to the hospital by Albert

Martin Stone, employed as a writer on a Federal Writing Project sponsored by the WPA. has been in State College preparing the groundwork for a compilation of the Pennsylvania German records Centre county, and as a result of his preliminary work may seek a revision of the project to include neighboring counties which were originally settled by the Pennsy .-

vania Germans. The purpose of the project is to collect and preserve the writings and records of those known as the "Pennsylvania Dutch." Since such an undertaking would have to include other counties where Pennsylvania Germans were and are more numerous than in Centre county, it is possible that the scope of the project will be broadened.

# Planning Your Will

The man of foresight avoids the many hazards in the administration of his estate. By planning his will carefully. By having it drawn by a lawyer. By choosing an experienced Executor and Trustee.

This bank has had many years of experience in settling and managing Estates. Consult us today.
