Peter 1:16-18.

derstood or explained.

1:14

GOLDEN TEXT: "We beheld

PETER SEES CHRIST'S GLORY them alive and moving the great fact of a life beyond was being emphasized to these three followers of Jesus. The Savior taught the doctrine of a life eternal, in words direct as well as in parable, but the disciples were to be reinforced in faith on the essential truth. To strengthen the spiritual insight in was given to Peter, James and John to witness their leader in communion with the eternal spirits.

Fage Three

Out of the cloud spoke the voice Our lesson deals with a profound of God, as it had done once before mystery. It is better to recognize and would do once again in the lifetime of Jesus. There was to be no this frankly in the beginning and to doubt as to which one of the three realize that it can not be easily unfigures seen was to reveal the Creator

to men. Although the law had been A few days after Peter's recogniproclaimed by Moses and the reality tion and declaration that Jesus was of God demonstrated by Elijah in times past, the divine voice instruct. ed the inner circle of the twelve that in spiritual truth they were to "hear Jesus."
