RIGHT HEAT'S

the Reason!

FLICK an electric switch

and you get exactly the

amount of heat needed for

the cooking job. Even for

platform cooking you

have three, four or five

levels of heat—a correct

heat for any cooking oper-

ation you can name! It

takes the guesswork out

of cooking!

Every cook knows how difficult a 7-minute

icing is to make-principally because low heat

is absolutely essential. On an electric range

(as illustrated) it's easy-for the low heat can't creep up and no double boiler is needed!
