(Signed) Sid Bernstein

LOUISA'S LETTER

Dear Louisa:-

My little girl has been out of school for two months. She is in the second grade. Do you think it will be wiser to let her go back in the same grade and try to catch up with the other children or to let her go into be held several days prior to the wed- the first grade and have review work the rest of this year and start afresh

MOTHER, Kans.

I think you will have to consider talking with an acquaintance, and many things before you make your decision. If the child has been barely getting along with her work and will have a hard time catching up 11. Isn't it the privilege of a guest with the others in the class, and if she is small, the wisest thing you can 6. What does it indicate when a when he thinks the game is too do is to let her review her first grade SATURDAY, FEB. 25-W. R. Grazier work and take the second grade next

But if she is an unusually smart child or if she is overgrown and SATURDAY, FEB. 25-H. C. Thomas feel humiliated to be put back in the lower grade, it will probably be better to let her go back with her regular classmates and help her in the afternooms with her back work in the afternoons with her back work until she has regained all the ground she has lost.

SATURDAY, FEB. 25—William M. Roan will offer at public sale at his residence on East Howard St. Bellefonte, R. D. 3, a full line of house-

Don't let her get disgusted or disouraged at school, if possible. A child who is given a greater load than she can carry often gets a lasting distaste for school which she finds it hard to outgrow. On the become disgusted if she is left idle while the others are studying something she already knows.

So, you see the solution of your "Use a word three times and it is problem depends on the kind of child you have.
