Our community lost another valued citizen, when J. H. Slaterbeck passed away last Wednesday and we wish to express our sympathy to his family. An odd coincidence occurred in the Slaterbeck family with the death of J. H. Slaterbeck on Wednesday when a few hours later his sister of Salona, visiting in Altoona, also passed into the Great Beyond. James Eagan returned to the Aspinwall Veterans Hospital, last Thursday for medical treatment, while he had remained at home his condition grew steadily worse, so he returned to the hospital for closer observation. William Bechdel and family moved from the brick house on the Diamond, being converted into a mortuary, to Beech Creek last Thursday. E. W. Gardner's physical condition shows little improvement, Mrs. Joseph Heverly of Lock Haven is assisting in caring for him. W. H. Spangler was recalled to Williamsport last week to resume his employment with a Drug Company there. John Beam of Lock Haven, spent the weekend at the home of Mrs. Annie James. Mr. and Mrs. Allen Pletcher, Mr. Hayes Pletcher, with Mrs. Calvin Pletcher of Howard motored to the Clearfield Hospital on Saturday to visit with Calvin Pletcher who has been a patient there for the past week as a result of an automobile accident. Five X-ray pictures have been taken of Mr. Pletcher's injury, and after the reports of these pictures, has been received the seriousness of the injury can be determined. Miss Jane Bolopue was home from Lock Haven, with her parents, Mr. and Mrs. L. S. Bolopue, on Sunday. Rev. and Mrs. Neilson with their daughter Isabelle departed on Monday for Indiana. Rev. Neilson preached his farewell sermon on Sunday morning. His last ministerial act for his congregation here, was to baptize June Miller and Lorraine Heverly in the icy waters of Beech Creek on Sunday afternoon. The two girls had made their confession at the service Sunday morning. Mr. and Mrs. S. S. Williams and son Jack expect to attend the wedding of Mr. Williams' son Glen on Saturday evening at 7 p. m. in the Temple Baptist church of Philadelphia. The ceremony will be performed by Rev. Dan Poling who is pastor of that church. Little Jack Williams will be the ring bearer at the wedding. Glen Williams, after his graduation from Medical College, will begin his internship at Jefferson Hospital, Philadelphia. The regular meeting of the W. W. G. will be held with Mrs. R. J. Spangler on Friday evening. The meeting of the Local W. C. T. U. was held with Mrs. Harris Clark on Wednesday afternoon. Mr. and Mrs. Roy Burlew and son of Owensboro, Ky., arrived in town on Monday to pass inspection upon the remodeling of the Burlew home here. An escalator has been installed and the lower floor redecorated. The excitement proved too much for Mrs. D. M. Burlew, who is quite ill. Mrs. T. K. Spangler wishes to thank those who helped in the time of sorrow over the death of her father. She takes this means of expressing her appreciation for the cars, floral tributes and for all the help given her during the illness and death of J. H. Slaterbeck. Miss Helen Everly of Smithport was a weekend guest of Miss Jean Kunes. The angel of death has again passed over our town; this time claiming Mrs. Edna Wilson. Mr. Wilson has been ill for some time. We extend our sympathy to the bereaved family. JULIAN

We wish her a speedy recovery. Clarence Sager and family are contemplating moving away from our neighborhood in the near future. We regret their going. May we say that February went off like a lion, causing the roads to be in worse condition than they have been for years. Thanks to the Brecker Boy for his assistance to the lion. We were very sorry to hear that Mr. and Mrs. Newton Fisher of Pittsburgh, met with an accident so near the end of their journey home last week. While Mr. James talks of the government whipping industry into tax formation, Mr. James himself should be thinking about whipping some friction on some of these ice paved roadways. Mr. and Mrs. Kyle Nearbooff of this place are the proud parents of a nice big six pound brand new 1939 boy baby. We wish to compliment the Bellefonte school system for their quick comeback in their functioning. The pay-off in the business world depends upon delivering the goods, not upon your intentions.
