Who knows most about Building cars? Ford has built more than one-third of all the automobiles ever built in the world. Look at these FORD FEATURES. THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car. The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price. Ford performance, traditional for a generation, has reached new heights in the 1939 V-8. And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be. FORD V-8 APRIL IS FORD INVITATION MONTH! Your Ford dealer invites you to drive America's most modern low-priced car. Make a date for a new experience.
