J. R. Haupt of Tyrone, and Harold Harper of Philipsburg, were involved in an accident at Black Moshannon Saturday evening, according to state motor police. Both cars were alleged to have been traveling the center of the highway and the drivers failed to yield the highway, causing the cars to collide. Damage was estimated by police at \$300. No one was injured.

#### Houtzdale Home Is Burned as Children Play With Matches

Children playing with matches are believed to have been responsible for the burning of the John Wilkes home in Houtzdale late Friday afternoon.

The blaze was discovered by Mr. Wilkes in an upstairs closet shortly after the two children of under school age had been playing there. He carried buckets of water to the closet in an attempt to extinguish the fire, but was unable to do so and summoned the fire company.

By the time the firemen arrived the interior of the house was gutted to the attic. All clothing and furniture on the second floor was destroyed.

It could not be learned if the lost was covered by insurance.
