THE BEST KNOWN PLOWS ON EARTH!

Oliver Plows are backed by more than 80 years' experience. Ever since James Oliver invented the chilled plow-the name "Oliver" has stood for high quality in every agricultural country in the world.

Famous for good scouring-Oliver Chilled Walking Plotes are easy on man and beast-and wear an extra long time even in sandy, gravelly, gritty, or "sharp" soils. Chilled shares and moldboards are highly polished-smooth as silk-yet almost file-hard. Quick, sure penetration in hard or soft soil, proper suck, and LIGHT DRAFT help you plow your fields at an even depth with just a light touch on the handles.

You'll find the walking plow here that's EASY on you-EASY on the team-and EASY on your pocketbook. Many Oliver Plows are still at work after a quarter of a century of service!
