Special Loaf Bread is of special importance be-

cause few other foods supply this vitamin in ab-

undance. Yet lack of enough Vitamin B1 often leads to retarding of growth among children, and

digestive and nervous troubles among adults.

Serve Olde-Tyme Special Loaf Bread with every meal. It supplies as much Vitamin B1 as bread

made from the whole wheat grain-and its flavor

is rich and delicious . . . . its texture fine and ten-
