COOKING and BAKING on the Beautiful New PERFECTION OIL RANGES

FRIDAY and SATURDAY!

You won't get another chance like this to learn the new improvements and economics in oil cooking and baking for months! So come tomorrow or Saturday (tomorrow if you want to avoid the Saturday crowd) and SEE the efficiency of the new, fast, clean High-Power Perfection Burners. SEE the perfect baking of the famous Perfection "Live-Heat" Oven. Share in the door prizes! Claim a grand prize if you are an old Perfection user! Open house and a big time for all.

YOU MUST BE PRESENT TO WIN A PRIZE!
ALL COUPONS MUST BE IN BY SATURDAY NOON!

The Best Way to Cook Is With Kerosene

In Today's High-Power Perfection Oil Stoves.

SEE THE PERFECTION OIL RANGE BOIL WATER 24 INCHES FROM THE FLAME

The High-Power Burner will boil water in a kettle suspended more than a foot above the grate!—two feet above the flame! And if you want to SEE how quickly you can set the burner down to just the heat you want, turn the flame up and down under this kettle. It responds so quickly that you can almost play a tune! Quick control means better cooking—and economy.

A Beautiful New PERFECTION OIL STOVE

Here's a cookstove you'll be proud to own, and for years to come you'll be glad it's a Perfection, with three of the famous High-Power burners—fast, clean, ECONOMICAL service, with oil, the fuel you can get everywhere. Large enough to hold large size Perfection portable oven. Come in and see this and the other Perfections. Liberal allowance for your old stove.

New, Exclusive Perfection Features!

Everyone calls it "the most beautiful oil range ever made." Its outstandingly DIFFERENT feature is that though it has the low oven which provides a roomy table-top surface level with the cooking grates, you do not

have to get down on your hands and knees to light the oven burners. YOU MUST SEE IT to appreciate this and a hundred other practical helps and time savers. COME THIS WEEK!

—or Oven Elbow High

If you prefer this model, you sacrifice none of the beauty of Perfection design. Here's everything the modern and practical homemaker wants in cooking equipment!

Oil cooking makes you independent—the fuel you can buy everywhere, always at low cost, with a stove you can use and move anywhere any time. Lowest cost in the long run and more in demand every year!
