In writing up our last weeks items concerning the Memorial Day doing. we missed some very important facts. We herewith extend most hearty thanks to the Firing Squad of Bellefonte who presented part of the program and further state that the services would not have been complete without them. Many thanks to our Legion member. Walter Zahniser who was instigator in getting them here. We also extend thanks to Legion members from Beliefonte who kindly came to our little village and helped make the day complete, those who came up were, Commander, Samuel Rhine-By-County Commander. smith: Aaron Leitzel and Captain Herbert Beezer. There were also several other members of the Legion from Belliont who accompanid the officers. Also thank the members and World War Veterans from this community who turned out for the day. If we have missed any this time we hope everyone, who helped make the day a perfect one, will consider and accept the most hearty thanks of the community and trust when another Memorial Day comes around they will come back and help us again. Next years Memorial Day services will be in charge of the
