A Miracle of Sleep Comfort

What a blissful sensation it is to crawl into bed and settle down on your new, deeper Beautyrest mattress . . . a mattress that's even more comfortable than any former Beautyrest.

How thrilling it is just to lie there, letting your tired body surrender to the "feel" of this great mattress. So gently does it support you that you forget you have shoulders, hips, knees! You quickly relax . . . sleep . . . to awake next morning rested and refreshed.

Your mattress can be your most important investment in comfort. So compare this new, deeper Beautyrest with any other on the market. Beautyrest has imitators. But remember no other mattress has ALL its advantages.

Proof the new Beautyrest lasts longer! We guarantee the new, deeper Beautyrest for ten years . . . but believe it will last far longer under normal use! At the United States Testing Co. Inc. laboratories at Hoboken, N. J., a Beautyrest was rolled, crushed, pounded 49,000 times before it showed signs of wear. No other mattress tested stood up one-third as long!

Introductory SALE

Simmons Beautyrest Mattress

\$39.50

You can't break down the edges! Sit on them all you want, you won't break down Beautyrest's patented, sag-proof edges! They keep the side walls erect and neat—bringing "mid-mattress" comfort to the very edges of the bed!

The new Beautyrest stays clean inside! Eight real ventilators in your new Beautyrest expel stale air from inside the mattress—and inhale clean, fresh air. So the new Beautyrest stays dry and sanitary inside!

Where comfort counts, it's Beautyrest! Beautyrest is the symbol of comfort at leading hotels. The Biltmore in Los Angeles has them!

Get the new, deeper Beautyrest! See it today at WOLF FURNITURE CO. Test it . . . compare it with other mattresses. Notice the rich fabrics. See how beautifully Beautyrest "makes up."

For less turning! You don't have to turn your Beautyrest nearly as often, because its independent spring action keeps it from getting out of shape, and because it stays clean inside. Turn it according to your usual custom the first few months until the felt padding has "leveled." Then turn it only four or five times a year. What tiring labor that saves!
