Seeks 2nd Term As Prothonotary

Bond C. White Announces Candidacy; Presents Brief Sketch of Active Life

BOND C. WHITE

Many of the citizens of Centre county are familiar with my career—which has been an open book. My interests have always been in Centre county. I was born in Axe Mann, Spring township, Centre county, Pa., 38 years ago and have resided there all my life.

I attended the Axe Mann grade schools and the Pleasant Gap and Bellefonte High schools. My first work was on farms during the summer school vacations beginning at 11 years of age, later I clerked in the Axe Mann store and post office. I worked in the Bellefonte Match Factory and with my father at the carpenter trade. At the age of 23 years I entered business for myself in the general store at Axe Mann.

In 1923 I married Adaline E. Boyer, daughter of Mr. and Mrs. William B. Boyer, Blanchard street, Bellefonte, Pa. In that same year I sold the store and built the Edgemoor service station where I worked every day of the year from 8:00 a. m. until midnight or later, with Christmas Day as the only exception. That day I closed at 5:00 o'clock in the evening. It was there I met many of the good people of Centre county and the friendships made then still remain and have grown with the years.

In 1927 I sold the service station and entered the employ of the Gulf Refining Co. in Pittsburgh. I left their employ in 1930 to accept a position as general salesman for the Standard Oil Company of Pennsylvania, which was then coming to Pennsylvania.

In 1932 I was appointed to the high labor post of Secretary to the Workman's Compensation Board of Pennsylvania. In 1935 I was elected Prothonotary of Centre county and took office on January 6, 1936. My fellow Prothonotaries of Pennsylvania have twice honored me. In 1937-1938 I was Vice President of their state organization and for 1938-1939 I was their President.

I am the first Prothonotary of Centre county who ever shared the earnings of the office with the county. I have paid all of the expenses of the office and have paid to the County Commissioners for the use of the county the sum of \$2,881.87.

I belong to the following: Methodist church; Republican Organization of Centre County; Young Republicans of Centre county; Young Men's Christian Association of Bellefonte; Bellefonte Sportsmen's Association; Bellefonte Community Welfare Fund; Centre County Hospital Corporation; Elk's Club, Bellefonte; Logan Grange, Pleasant Gap; Bellefonte Lodge, Free and Accepted Masons; Bellefonte Royal Arch Chapter; Constans Commandery; Kiwanis Club, and the Pleasant Gap Fire Company.

The people of Centre county have always elected their Prothonotaries to a second term. I ask the favorable consideration of the voters, on a record of a lifetime (23 years) faithful, devoted and unselfish service in the welfare of my native county of Centre, in my campaign for a second term as Prothonotary.

BOND C. WHITE (Pol. Adv.)

TIPS ON HOW TO AVOID PROSTRATION FROM HEAT

Here are a few tips on how to avoid heat prostrations this summer.

Don't hustle about on unnecessary errands, don't sit in the sun too long, don't wear heavy or confining clothing, don't neglect frequent bathing, don't eat large amounts of food.

The rules are those generally agreed upon by physicians as the best way of making life bearable under the summer sun and may be augmented, it is pointed out, by the taking of salt to replace salt lost from the body by excessive perspiration.

A teaspoonful of salt in a glass of water, taken when one has a "washed out" feeling on an unusually hot day, will restore energy, one physician said. Placing of salt tablets near drinking water fountains in factories and mills has been thought largely responsible for decrease of prostrations among employees.

Heat deaths in cities have declined markedly since two generations ago when people wore heavier clothing and used less "common sense" about combating warm weather.

Planning To Sell Year's Wool Crop

(Continued from page one)

To sell a number of large buyers, including a commission men, have signified their intention of placing a bid on the Centre county wools.

It has been a practice of sheepmen here in the county to market their wools cooperatively for a number of years. Through this method of selling direct to the processor, the growers have benefited not only in additional price but the quality of the wool sold by Centre county sheepmen has increased considerably. When this method of handling wool was first started, off grade wools ran from 10 to 20% during recent years, off grade or rejections ran 1 to 4%. Wools classified as rejections include fleeces from dead sheep, black, grey, seedy, burry, stubby, in other words, poor quality fleeces.

There is usually a difference in price of approximately 10c per pound less for rejections than for number one wool. By increasing the quality through reducing the percentage of rejections, it has increased the returns to the growers.

Centre county association last year sold 16,580 pounds of wool, which is a car load. It is expected this year that the pool will run slightly higher.

Light To Speak At Grange Fair

(Continued from page one)

ing Editor of the Grange News, is eminently fitted to discuss both agriculture and Grange topics. Another feature of Grange Day will be the parade of Grange floats, this year to be arranged in two classes; those portraying Grange symbolism, and those showing agricultural activities.

All judging, except that of livestock, will take place on Tuesday, August 22, thus permitting exhibits to be open to the public all day Wednesday. Exhibitors are asked to note that all articles to be displayed in the Horticultural building; farm and food products, canned and baked goods, and needlework, must be entered on Monday, August 21. The building will be open until 8 p. m. for the placing of exhibits.

The ever-popular amateur hour will again be in charge of F. P. Bartsch, of Aaronshurg. Persons interested in entering this contest may secure information from Mr. Bartsch, and should register with him as early as possible.

700 MEN TO GET WPA HIGHWAY JOBS IN JULY

Centre County Superintendent of Highways Aaron D. Leitzell last night announced that present plans call for the employment of 700 Centre county men on WPA highway projects, July 1.

Seven projects have been approved and work will begin as soon as possible after July 1, he said.

Correct this sentence: "She is their very good friend, that's why they are talking about her."

Grove Clan In Annual Reunion

D. A. Grove, President, Reviews History of Family Organization

The thirty-first annual reunion of the Grove family of central Pennsylvania was held at Grange Park, Centre Hall, last Saturday, June 17th.

Rev. F. B. Henry of Pleasant Gap, gave the invocation and Mylan Grove of Spring Mills, gave the address of welcome. Several songs were sung by Mylan, Gerald, Steryl, Lorraine, Lois and Ruby Grove, of Spring Mills. Group singing was led by Rev. H. H. Jacobs of Bellefonte, and Thomas Grove of Spring Mills.

The address of the day was given by Daniel A. Grove, of Bellefonte, president of the association. Mr. Grove gave a brief review of the history of the reunion association, starting with a meeting in the old Garman Hotel at Bellefonte in the spring of 1909, which was attended by William Michael Grove of Spring Mills, Alfred C. Grove, D. Calvin Grove and George W. Grove of Bellefonte; William E. Grove, John Grove and Mrs. Sarah Eiters, of Lemont. At this meeting which was called to order by the late William Michael Grove, it was decided to hold the first annual reunion of the Grove families of central Pennsylvania at Grange Park, Centre Hall, June 10, 1909. It appears no record was kept of those attending the first reunion. However, it developed that nine persons attending last Saturday's reunion were also present at the first reunion thirty years ago, they were: Mr. and Mrs. A. C. Grove, Mr. and Mrs. Daniel A. Grove, D. Calvin Grove, and William E. Grove of Bellefonte; Mrs. William E. Grove and Mrs. Hannah Grove, of Lemont, and Mrs. Esther Sampsel, of Pleasant Gap.

One very significant fact concerning this reunion was that every person in attendance traveled by automobile, it could not be recalled that a single person attended the first reunion thirty years ago by auto. In 1909 they all used the horse and buggy or carriage.

Following the president's talk the committee on resolutions submitted a resolution to honor the memory of Mrs. Roy W. Grove, of Powell, Ohio, who passed to the great beyond May 31, 1939, age 45 years, 2 months and 5 days; buried at Shiloh cemetery, Centre county, the daughter-in-law of Mr. and Mrs. D. Calvin Grove, of Bellefonte.

Officers elected were: president, Chester W. Grove, Centre Hall; vice president, Thomas R. Grove, Spring Mills; secretary, Roy H. Grove, Bradford; treasurer, Mrs. Bella Grove, Bellefonte.

Committees appointed by the president were as follows: arrangements, Mrs. Esther Sampsel and Willis A. Grove; resolutions, Mrs. Lydia Rockey, Mrs. Bella Grove and Mrs. D. A. Grove; program, Thomas R. Grove, Isabel Grove and Mrs. Arthur Thomas.

The next reunion will be held at Grange Park, Centre Hall, Saturday, June 15, 1940. Plans are already being formulated to make this the largest reunion ever held in the history of the organization.

Firetruck Too Long Swissvale first was proud of its new \$11997 fire truck—now its dismayed. The doozone thing is 7' long—with its 265-inch wheel base—more than a score of the borough's street corners will have to be trimmed to permit the apparatus to wheel around the turns.

Make the people of any country laugh and they will make you wealthy.
