Sesqui-Centennial / Planned-**Historic Tour Scheduled**

For September 16

Mifflin county will celebrate its 150th birthday on September 19, for it was on that date in the year 1789 that the General Assembly passed the act which erected a new county including practically all of the present countles of Mifflin, Juniata and Centre.

This territory was taken from "Mother' Cumberland" and Northumberland county and named for Thomas Miffin, soldier of the Revolution and statesman of the constitution period, who was to become first Governor of the Commonwealth of Pennsylvania as a State of the Union. Under the auspices of the Mifflin County Historical Society this sesqui-centennial

will be observed with a public meeting in Lewistown High School Auditorium, Tuesday evening, September 19, at 7:30 p. m.

Judge W. W. Uttley of Mifflin County Courts will preside. Merkel Landis of Carlisle, noted historian of Cumberland county, will deliver an address on "Mifflin County's Historical Background" and Dr. S. K. Stevens, Historian of the Pennsylvania Historical Commission, will show moving pictures, "His-toric Pennsylvania." All present and former Mifflin Countians and

friends of Mifflin Couty will find a cordial welcome.

the "Sesqui" season in Mifflin County has been announced by President J. Martin Stroup of the Historical Society for Saturday September 16, when the Junista and Mifflin County Historical Societies will join in a tour which will follow the route of Rev. Charles Beatty, first missionary to visit the Juniata Valley in 1766. Starting at Honey Grove, Juniata County, at 10 a. m. noon will be spent at McAlisterville where dinner will be served, afterward continuing into Mifflin County, passing through Lewistown at 2:15 and to some distance beyond McVeytown.

Stops will be made at the places where the Rev. Beatly preached and at other historic spots along the way. Rev. Thomas C. Pears, D. D., Director of the Department of His-
