whom two were of heathen ancestry ual eminence after having grievously sinned.

9. What is the correct, accepted

form for a formal introduction?

It is also interesting to note that while Matthew's Gospel was written primarily for the Jewish people and shows much research and study in connecting the ancient prophetical utterances with the life of Jesus, it does not confine his teachings and ministry to that race alone. The closing verses of Matthew's Gospel months' study of the Gospel of St. contains the Great Commission as Matthew.
