work was established, which has given very fine results. Three men are chosen from over the entire operations to carry on the safety work, under the supervision of a foreman who is made responsible for safety work. These men meet once a week to discuss safety and bring up all plant items. Each month there is a plant inspection trip and a mine inspection trip. These inspections bring forward a large number of items, as each new committee sees things that the previous committees had not seen. These items are then written up in a report to the company executives

MRS. CHARLES ZETTLER

At the close of the business meeting, Mrs. Mary Harvey Scott entertained the Chapter with three fine piano solos, and following this Mrs. Wheeler P. Davey, of State College, gave a most interesting account of a trip around the world which she and her husband and daughter had taken by freighter. She spoke of the different countries visited, dwelling particularly on the Philippine Islands, Japan and China, and several members of the Chapter, dressed in the native costumes of these countries, appeared as she spoke to illustrate her talk. At the close of Mrs. Davey's address, delicious refreshments were served by the hostesses, who were Mrs. John P. Lyon, Miss Elizabeth
