Funeral arrangements had no been made Tuesday morning, but interment will be made in the Meyer cemetery, Buffalo Run Valley.

25 MILES OF WINDOWS GET ALCOHOL RUB DOWN

During the winter months more than sixty gallons of alcohol are used in cleaning the 21,000 windows of the fourteen Rockefeller Center buildings. The alcohol, used by the 35 window cleaners, is mixed with water, making it possible to clean the windows in frigid weather. These 21,000 windows, if laid end to end, would stretch for more than
