

# LOCALS

—Mr. J. N. Baney, of Yeastertown, while in Bellefonte Saturday, found time to call as our guest.

—Earl Kline, of Chicago, farmer well known residents of Bellefonte, spent several days early this week among local relatives and friends.

—H. J. Goss, Phillipsburg gun and locksmith, was a caller at this office early this week while on a business mission on the county seat. Mr. Goss, a former well known resident of Bellefonte, has been retained by the new Board of County Commissioners to check and repair locks on all doors, vaults and safes in the Court House, Jail and Poor Home.

—E. E. Barber, pole inspector for the West Penn Power Company, has been transferred from the Bellefonte office to Little Washington, Pa. As a result, Mr. Barber and daughter Edith, previously on vacation at the Mrs. Loellie Dale Chesman apartments on East Curtin Street, have moved to Little Washington. The Dale apartment has not been released at this time.

—According to present plans the marriage of Miss Rebecca C. Dorworth, daughter of Mr. and Mrs. Charles E. Dorworth, of West Linn Street, Bellefonte, and Ralph Hobson Lightner, of Redway, will be held at the Bellefonte Methodist church on Saturday evening, February 10. Mr. Lightner is sales manager for the Keystone Division of the West Penn Power Company.

—Among the callers at this office Tuesday morning were George Gummo, of Mill Hill, R. D. 1, and his father, the venerable J. A. Gummo, of Salona. The elder Mr. Gummo gave this office quite a shock when he said he was nearing his 86th birthday. Spry of step, strong of voice and hearty in manner, his youthful demeanor entirely belies the fact that he was born years before the Civil War.

—A. L. McGinley, 3rd, 15-year-old son of Mr. and Mrs. A. L. McGinley, of North Spring Street, was injured about 5 o'clock Monday afternoon while skating near the Haupt farm north of Bellefonte. The boy suffered severe lacerations of the left leg when he struck a heavy piece of tin. After undergoing treatment at the Centre County Hospital he was taken to Harrisburg where he is reported to be resting comfortably.

—Last week the first of a new series of educational advertisements published by the Everett Drug Store, South Allegheny Street, appeared in the Centre Democrat and each week the Everett space will be devoted to some new angle of the "Public Health" topic "The Public Health the Doctor" Make it a point to read each message. You'll find them interesting and highly worthwhile. The information they contain has been carefully scrutinized and approved by prominent medical men.

—Announcement has been made of the engagement of Miss Vera Colyer, daughter of Mr. and Mrs. Arthur C. Colyer of Hubersburg, to Donald L. Love, son of Mr. and Mrs. Linn Love, of East Logan Street, Bellefonte. Miss Colyer was graduated from the Hubersburg High School and is now employed in the G. C. Murphy store, of East Logan Street. Mr. Love, a student at the High School, for some time has been employed as a lineman for the West Penn Power Company in Bellefonte. No date has been set for the wedding.

—When Charles Schaeffer, of East Curtin Street, returned to his duties as clerk at the Schaeffer Hardware store, early last week after an absence of 14 weeks during which time he was undergoing treatment for severe carbuncle at the back of his neck, a fellow employe of the store, Harry Zell, of near Pleasant View, developed a somewhat similar infection. Mr. Zell suffered from a carbuncle which centered over his right temple, causing much swelling and great pain. Yesterday he was reported to be recovering nicely at his home where he is under medical care. Boyd Vomada, of East High Street, who substituted at the store during Mr. Schaeffer's illness, is now substituting for Mr. Zell.

—Friday night the thermometer dropped to near the zero mark and a stiff breeze added nothing to the comfort of pedestrians. Saturday was not quite so cold, but light snow flurries prevailed through the county. Sunday brought one of the heaviest snow falls of the season, approximately 5 inches having fallen. Low temperatures made ice skating a favorite sport all through the county, but snow covering the ice spoiled the sport except for the few who were having it evidenced more ambitious skaters. A good indication of the kind of weather along Spring Creek, south of town. The creek above the old Foundry dam has been frozen over from bank to bank for more than a week. It requires exceptionally cold weather to accomplish freezing of the stream at that point, and many winters pass with the channel never being spanned by ice.

—Victor Barnhart, who for some years has been second mate on a freighter in coastwise service, arrived in New York last week, after a trip that his ship had been sold and that he consequently was without a berth. At about the same time he received word to stand by for orders from the United States Navy Reserves, in which he has been a lieutenant for the past ten years. In the belief that he had earned a several months' vacation, Mr. Barnhart purchased a car and motored to Howard to be with his mother and brother, Mrs. Laura Barnhart and John Barnhart and family, at their home in that community. Last week, just as he was beginning what he hoped was to be a quiet vacation, "Vic" received orders to report for duty in the Navy. And he departed immediately for New York. He expected to be assigned to duty aboard the Yukon, a supply ship to the West Indies and Panama.

—The Junior Department of the Bellefonte Woman's Club will hold its regular monthly meeting at the library building at 7:30 o'clock on Monday evening, January 15.

—Mrs. George M. Gamble, who for the past several weeks has been suffering from a severe attack of the grippe, is reported to be recovering nicely at her home on West Linn Street.

—Harry A. Rossmann, of Milesburg, former well known Bellefontian, has accepted a position with the sales force of the Centre County Chevrolet Garage, West Bishop Street, Bellefonte.

—Mr. and Mrs. Clyde N. Lee are now located in the former Galbraith home on East Bishop Street, having moved to that address from the former Baum property on the same street, which has been purchased by Harry Lutz. Lutz expects to move here from his farm near Bellefonte before spring.

—Miss Ann W. Kehlman, well known Bellefontian architect, has been off duty since early last week when she made a mistake at her home on East Bishop Street, and fell, fracturing her left arm between the wrist and elbow. While the fracture is reported to be mending nicely, the injury keeps Miss Kehlman from her usual duties for several weeks.

—Both fire companies answered a general alarm about 1:30 o'clock yesterday afternoon when a fire was discovered in the small building housing the office of Frederick Warner, superintendent of the American Lime and Stone Company, near the plant north west of town. The fire, believed to have been caused by an overheated stove pipe, burned a small area about the roof. Damage was slight.

—Former Judge M. Ward Fleming, Mr. Fleming and his son, John M. Fleming, are making arrangements to vacate the family home on East Linn Street on January 15, to move to the Penn Belle Hotel for the remainder of the winter. Miss Mary Fleming, who is employed at State College, discontinued commuting the first of the year and is now residing at the Orlando apartments, State College.

—The Drama Section of the Woman's Club will meet at the home of Mrs. Henry Kehlman in East Logan Street, Wednesday evening, January 17, at 7:30, at which time the play titled "Pickles, Bon-Bons and Tempers" will be produced. The cast of characters include Eleanor McGinley as Aunt Hattie; Beatrice Weaver her ward Amelia; Eleanor Wagner her ward Rose; and Verlie Gibbons as Philip Buck.

—The Undine Fire Company answered two still alarms early Tuesday night. The first blaze was covered about 7:15 o'clock in the Clutz district, then a second alarm was called in the Haug House, East Bishop Street, and was soon under control. A small hole was burned in the floor of the apartment. A short time later firemen were called out when the fire of the George Meek reached the North Spring street caught fire. No damage resulted.

—Mr. H. L. Albert of Bethlehem, Pa. has announced the engagement of his daughter, Edna, to William S. Crumlish, son of Mr. and Mrs. High J. Crumlish, of Pleasant Gap. Miss Albert, a graduate of Bethlehem High School and Pennsylvania State College, is a teacher in the Junior High School at Pottsville, Pa. Mr. Crumlish attended the Bellefonte Normal School and graduated from Penn State. He is employed by the U. S. Dept. of Agriculture at Beltsville, Maryland, as a Sanitary Engineer.

—J. Gilbert, Shope, of DuBois, son of Mr. and Mrs. Clayton Shope, of East Curtin Street, Bellefonte, has accepted a position with the National Lumber Manufacturers Association at Washington, D. C. While Mr. and Mrs. Shope were in Washington looking for suitable living quarters for their children, Nancy and John, were with their grandparents, Mr. and Mrs. H. G. Witter, of East Curtin Street, Bellefonte. For the past four years Mr. Shope has been the employe of the WPA at DuBois.

—Mr. and Mrs. George H. Shuertz, of Elmira, N. Y., are receiving congratulations upon the birth of a son at an Elmira Hospital, at noon last Thursday. The youngster, who is the first child in the family, and who has been named George Harris Shuertz, Jr., weighed eight pounds at birth and both he and his mother are getting along very nicely. The extremely proud father, who is one of the representatives of the American Lime and Stone Company of Bellefonte, is reported to be figuring on giving his son an early training in golf. The event of which for many years George has claimed is the reason for his somewhat less than stellar efforts as a golfer.

—W. M. Meckley, of Burns Lake, British Columbia, Canada, who is spending a two months' vacation with relatives and friends in Centre and neighboring counties, was a pleasant caller at this office yesterday afternoon. Mr. Meckley, a native of Fillmore, this county, went to Canada in 1920 and five years later accepted a position with the Canadian railroad, remaining in their employ ever since. The road passes through some of Canada's finest forest regions, where deer, moose, caribou and mountain goats are plentiful. Early in December snow in the area had reached a depth of 12 feet. Mr. Meckley, who has become a British subject, came to this county to spend the Christmas season with Mr. and Mrs. C. L. Grenoble, of State College. On New Year's day he was a guest of his brother, Thomas Meckley, of Tyrone. At the present time he is dividing his time among other relatives and friends in the county and since this is his first visit "home" since 1925, he is constantly reminded that many changes have come to this area in the past 15 years. He was particularly impressed by the rapid growth of State College, where he was employed for a time before going to Canada to reside. Mr. Meckley made the trip south by rail, the journey requiring seven days' time.

—Mrs. Harold B. Harris and young son, Johnny, of North Allegheny Street, expect to leave next weekend for Miami Beach, Florida, to be guests for a month or more of Mrs. Harris' sisters.

—While going downstairs to the furnace room of the Brant Hotel Sunday night, David Love, proprietor of that establishment, fell and fractured his right hand. The fracture was reduced, Tuesday, by a physician.

—Deputy Prothonotary Arthur H. Schoop, of East Curtin Street, who has been undergoing treatment at the Phillipsburg State Hospital for the past month or more, is reported to be improving steadily and is looking forward to a return to Bellefonte in the near future.

The appointment, which marks a quarter of a century of continuous service as District Deputy, was received by Mr. Walker from William H. Brehm, of Philadelphia, Grand Master of the Grand Lodge of Masons in Pennsylvania.

Mr. Walker's activities in the Masonic Lodge dates back to October 25, 1898, when he was initiated into Bellefonte Lodge No. 258, F. & A. M. He became Master of that lodge in 1905 and in 1906 was its representative in the Grand Lodge of Pennsylvania.

**Saylor Retained In Firemen's Relief Job**

A dose election for the office of secretary of the Firemen's Relief Association featured a meeting of the organization at the Logan House, Tuesday night.

Philip Saylor, present incumbent of the secretary's chair, was elected for another term. Others elected without opposition, were: O. A. Kline, president; B. D. Talc, vice president; and Russell P. Beezer, treasurer. The retiring president is B. D. Talc.

Reports showed that the Relief Association is in a healthy financial condition, assets totaling more than \$20,000.

A discussion as to whether or not funds of the Association could be used to purchase fire apparatus, revealed that under the present State law governing Relief Associations, no provision is made for the purchase of equipment with relief funds. Nearly 100 members of the association, from both Logan and Undine Fire Companies, attended the meeting.

FATHER OF MEDICINE

I SWEAR BY APOLLO the PHYSICIAN, and Aesculapius and Health, and All-Heal, and all the gods and goddesses; that according to my ability and judgment, I will keep this oath and this stipulation — to reckon him who taught me this art equally dear to me as my parents — to share my substance with him — and to relieve his necessities if required — to look upon his offspring in the same footing as my own brothers, and to teach them this art — if they shall wish to learn it, without fee or stipulation — and that I will impart a knowledge of the art to my own sons, and to those of my teachers, and to disciples bound by a stipulation and oath according to the law of medicine; but to none others — I will follow that system of regimen which for the benefit of my patients — and abstain from whatever is deleterious and mischievous — I will give no deadly medicine to anyone if asked — nor suggest any such counsel — and in like manner I will not give to a woman a pessary to produce abortion — with purity and with holiness I will pass my life and practice my art — I will not cut persons laboring under the stone — but will leave this to be done by men who are practitioners of this work — Into whatever houses I enter I will go into them for the benefit of the sick and will abstain from every voluntary act of mischief and corruption; and further from the seduction of females — males — of freemen and slaves — I will be in connection with it — I see or hear in the life of men — which ought not to be spoken of abroad — I will not divulge — as reckoning that all such should be kept secret — while I continue to keep this oath unswerving — may it be granted to me to enjoy life and to practice the art, respected by all men in all times; but should I trespass and violate this oath, may the reverse be my lot!
