# THE WAR IN EUROPE JUROTS Drawn For May Court

plies from Germany.

The blockade, that went into efantee its effectiveness. The pressure that is evident along the Norwegian coast may be unseen but itis none the less felt in southeastern Europe. Moreover, the British and French are tightening the barriers against shipment of vital supplies to neutral countries to make sure that increased imports do not go to Germany.

#### More Rigirous Blockade

Neutral nations will probably find the Allied blockade more rigorous and the indications are that Allied warships will be less solicitous about their business of stamping out German commerce. London and Paris have adopted the principle that neutral nations, which fear to displease Berlin by the strictest neu-

more heed than Germany. Back of the conclusion is the permit ed to secure war advantages by trading upon the fears of neighboring countries. If the neutrals do not resist Germany then the Al- been off-set by increased pressure block Hitler's gains.

#### Germany's Faihure to Attack

When the war began, in September, there was a general idea that had been delayed and that it would step with military action. develop in the Spring when Winter For the present, Russia and Italy weather disappeared.

Now that no great offensive has any common understanding regardaction

offensive indicates that Hitler real- is intense and there is little eviizes that Germany is unable to dence available to indicate that a wage a full-scale, long-term war satisfactory solution has been dison account of serious deficiencies in covered. trained men and material.

Second, it is said that Hitler postpones the attack because he be- Recent Weddings lieves Germany can win her aims without waging a full-fledged war by remaining on the defensive and gradually developing the conquered and adjacent areas of eastern and ter of Mr. and Mrs. Richard Kenny, southeastern Europe.

Germany's Present Strategy We think it may be assumed that
