#### Attention! Democrats!

As Campaign Manager of the Centre County Joseph F. Guffey Campaign Committee it was my earnest desire to at least contact a majority of the Democratic voters of the County in the interest of Senator Guffey. Now

that we are approaching the last few days of the campaign I find it humanly impossible to do this, so I am taking this means of appealing to the Democratic voters to go to the polls on Tuesday, April 23, as militant body and vote for Joseph F. Guffey for United States Senator. By supporting him for renomination you will show your appreciation of the administration of President Roosevelt, the greatest and noblest president of all

By supporting Senator Guffey you will support a real Democrat, one whose record as a public servant is beyond reproach and whose pledge to support President Roosevelt has been kept 100 per cent.

Senator Guffey pledges that if nominated and re-elected to continue to fight for the better interests of the masses rather than a select few. He further pledges "That he will ever vote to send a single American boy overseas to fight in a foreign war."

Senator Joseph F. Guffey Senator Guffey was born in Pennsylvania, has always lived here and been actively interested in the Democratic Party, the common peoples party.

So I urge all Democrats to get out and vote for Senator Guffey, thereby showing their appreciation of the New Deal.
