CAPRICIOUS APRIL.

For flakes of snow are flying

Keep on your winter clothes.

In red flannels, woolen hose.

The calendar says its Spring

And it might be officially

But use your common sense

Has been for years and years

The next dissolved in tears.

smiling sweetly

L. S.

For you'll really be comfortable

When you hear the robins sing,

Tang of winter in the air.

But where, oh, where,

So take my advice

Don't get so excited

It might be April 14th.

And dress judiciously.

For April is capricious

But it just isn't Spring.

They say Spring's around the

This one fact alone makes it im- parted to their homes.

winter clothes handy.

than fiction.

the Sabbath day.

with his parents.

SIDE OF ENGINEER Mere attraction to the glamor of the School of Engineering of the

Pennsylvania State College. "The aptitudes required in engin eering," he said, "are high scholarship, interest in mathematics and science; a curiosity to know why materials and forces act as they do as well as to know how a machine or engine works." An interest in the spectacular phases of engineering should be coupled with the innate aptitudes to insure success in field, Dean Sackett emphasized.

day, April 12th, to help Lillian Gap. The baseball team of W. T. H. S. Morris has been an invalid for has received new baseball equipmaterial which the team received were bats, baseballs, a catcher's mitt and a catcher's mask. The new material was paid for by funds from the High School Athletic Association treasury.

Home Economics

The girls of the home economics classes of W. T. H. S. have been County Agent R. C. Blaney. studying units in health. Some of cises which will correct bad posture.

## Agriculture

Wednesday, April 10, the agriculture students went on a field trip to Salona to view Mr. W. F. Herr's greenhouse. Mr. Herr explained his methods of raising plants in greenhouses to the students, and all were interested. The local F. F. A. club Nicholson, Mrs. Charles is now carrying on a project similar Guenot, Mrs. Gregg Watson, Mrs. to the one they viewed at Salona.
