Has Leg Amputated

Wayne Alters, aged 18, son of Mr. and Mrs. Harry Alters, of Beaver street, underwent an operation Monday morning for the removal of his left leg, about midway between the thigh and knee.

Alters, a member of the freshman class at the Bellefonte High school, suffered an injury to the knee early last January while playing basketball. When the injury failed to respond to the usual treatment, a thorough study of the condition revealed cancer of the bone.
