Another condition sometimes called "bronchitis", is a weak-POR SALE—For a good location con-sider the 100 acre Clevenstine farm located along Route 220, 1 mi west of Heels Park, 6 mi. East of Belle-fonts with a young orchard; a 10-room built brick house; a large barn and plenty of out buildings, good tillable limestone ground. Call and see the farm, it might be just what you want. W. L. Clevenstine, Minened heart muscle causing a "wet lung" and a consequent cough. Especially in elderly people, serum leaks into the air-cells, from poor and slow circulation of blood through the lungs. Rest, heart tonics and an intelligent search for the cause, is the way to cure this type of so-called "bronchitis" Irritation from pollen, and other things causing hay fever and asthma, may sometimes cause an irritation diagnosed as "bronchitis", and may be cleared up by finding the offending you want. goville, Pa.

irritant and treating accordingly People sometimes have "bronchitis" caused by a slow-moving tuberculosis, and go about with a "hacking" cough. They constantly endanger the lives of others through contagion and their own lives by *delaying* correct diagnosis and treatment for the real cause. Let your doctor help to locate and cure it.

and become dilated. Secretions accumulate and decompose, and are dislodged only by fits of coughing, that last until the

cells are cleared and the patient eased, then they again be-come filled. Drainage must be established and infection re-lieved before the trouble will clear. Sometimes a vaccine,

made especially for the individual, will cure

Bellefonte and vicinity. Mr. Hazel is a son of the late Cornelius Hazel, of Pleasant Gap.
