The contractor at first contemplated dismantling the bridge rather than clean out the debris, but later reports indicate this action was not necessary. In sections the new road, which extends to Colyer, was washed out, including the heavy stone ballast.

A number of empty milk cans on the Barney Confer property were washed into the creek and lost. The cloudburst covered a radius of about four miles, extending from a point about one-half mile west of Spring Mills to three miles east of that community. Elsewhere the rainfall was ordinary.

Kicked By Horse Charles Edward Ross, of Sunbury, R. D. 2, was seriously injured when he was kicked in the abdomen by a horse, which he and two others were engaged in shooing on the farm of his parents, Mr. and Mrs. Alexander Ross. The horse's hoof made a gash several inches long.

The youth was brought to the Centre County Hospital for treatment. Witnesses of the accident are quoted as saying that Grove swerved his machine in an effort to avoid the accident.

Six residents of Ohio received lacerations and bruises on Route 229 about 3:45 o'clock Sunday afternoon when their car skidded, ran off the road and overturned twice in a hay field. The accident was attributed to the slippery condition of the road following a shower. The victims were on their way home from a visit in Snow Shoe.

The driver of the car, Horace C. Thomas, of West Farmington, O., and Mrs. Thomas suffered lacerations and bruises about the head and neck; Connie Thomas, aged 1 year, had severe bruises about the eye and forehead; Ross, 14, and Dale, 11, and Ralph Lawrence, also were cut and bruised. Mrs. Ward has been advised that her left leg is 2 1/2 inches shorter and that there is an inversion of the foot as the result of the fracture. These injuries, it is claimed, are permanent. Itemizing the damages sought, the statement of claim lists a hospital bill of \$249.90, and a doctor's bill of \$143.50, together with "medicines and incidental expenses."

As a result of her injuries, Mrs. Ward has been compelled to hire a maid at \$4 a week from September 27, 1938, to the present time and will need a maid in the future. She further has been unable to take roomers since the accident and loses approximately \$40 a month as a result.
