The Community Ball Games—Wonder why more folks do not attend the soft ball games which are played on the new ball field each week? I guess it is because they do not know when there is a game, but we have been informed there is a game each evening unless it rains to prevent. You don't know what you are missing when you don't see these boys play, some too fat to run, some too little to see the ball, some too tall to straighten, any way they play some real games which are interesting and lots of fun to watch. Lets have some good crowds at the next games. Last Saturday they played three games. The teams who play are the mer below the railroad, the men in the coat between the railroad and the state highway, the men West of the state highway and the township men which makes four teams; and they are all good ones.
