Sunday guests of Mrs. Sue McEwen were her two nieces, Miss Nora Stover and Mrs. Alice O'Leary and daughter, of Bellefonte, and nephew and wife, Mr. and Mrs. Howard Bricker, of Millheim. They enjoyed a delicious dinner at the noon hour in honor of the birthday of Mrs. McEwen which was on Monday.

Mrs. H. D. Lindenmuth has a prize flock of turkeys which are about ready for the chopping block. She has twelve and they average about 14 pounds each now. Wonder how much they will weigh. Thanksgivings time? They are a great curiosity to passersby as she has them in her yard at her residence here in town. Much credit is due Mrs. Lindenmuth in getting them raised to this stage as it takes much patience and time.

A very delightful surprise party was held at the home of Rev. and Mrs. G. A. Garrett, of the Free Methodist church, in the form of a farewell party, on Monday evening. He had been ill for the past couple weeks. Funeral services will be conducted here in the Pleasant Gap sub-station on Wednesday, September 13, at 10:30 o'clock, and interment will take place in Oak Ridge cemetery. Mr. Buck had reached his 90th birthday just recently. We, as a community, extend our most sincere sympathies to the bereaved family at this time.

Our community has been greatly stirred the past week in the circulating of a petition through the town to obtain signers of persons arrested in securing a bus for the transportation of pupils to Bellefonte High School. The matter was presented to the School Board at their regular meeting on Monday evening but no definite action was taken on the matter, it being held up for future investigation. In view of the fact no provisions have been made to finance such a project it was impossible to make a definite decision, then, it is a matter which should be put to the vote of the citizens of the community as they are the ones who will have to finance such a move as it will add greatly to the tax payers' budget.

**Police Arrest Auto Thieves**  
(Continued from page one)

Police fired several shots in the air. At hearings before Justice of the Peace Harold D. Cowher, East Third St., Friday night, Keith and Page entered pleas of guilty to the theft of a Plymouth sedan owned by Charles Harrison, West Howard street, Bellefonte, on August 23, and were held under \$500 bail each for court. The youths drove the Harrison car to Harrisburg, and upon returning to Bellefonte abandoned the machine on a side road at Coleville. They admitted that they had stolen a registration plate for the car while in Harrisburg.

In addition, Keith pleaded guilty to a charge of forging a check for \$30 on Mr. Capparelli, August 22. Bail in this case was placed at \$800. Page admitted forging a \$25.00 check on Capparelli on September 1, and was placed under \$300 bail. Chief of Police Harry Dukeman was the prosecutor in all the cases.

William Bryan is now in Lock Haven where he is being held for the theft of the car in which he and Keith were riding when the patrolmen caught up with them. The machine, a Chevrolet coupe owned by Samuel E. Brickley, was stolen from its parking space near the Marlin theatre in Lock Haven about 1 o'clock Tuesday morning.

About 3:45 o'clock Thursday afternoon Alfonso DeMarte, driver of one of the Zimmerman beverage trucks, Lock Haven, familiar with the appearance of the stolen car, saw the machine on the Buffalo Run Valley road and notified officers Harbeck and Barnie.

The officers could not find the car, but in their search they received a report from the Patton township school bus driver that a car answering the description had followed the bus for a distance, and when it halted, had asked to see a school girl.

After talking with the girl, police began the return trip to Bellefonte and when near Waddle they saw the wanted car approaching from the opposite direction. Upon seeing the police car, the youths put on speed and disappeared. The police car turned and gave chase and on a sharp curve the stolen car skidded off the road and overturned. Uninjured, its occupants, Bryan and Keith, started for a nearby woods but gave up at the sound of police revolver shots.

## Boal Memorial to be Dedicated Saturday

(Continued from page one)

The 28th Division, assisted by Mr. H. R. Mingle and J. Harris Holmes of State College, arranged the program for the occasion.

**History of Boal Troop.**  
The famous Boal Machine Gun Troop, Boalsburg, which was inducted into the service as Machine Gun Troop, First Pennsylvania Cavalry, and as such saw service on the Mexican border. The history of this organization is unique in that it is one of the two organizations in the United States to be raised and equipped entirely through private funds and offered to government during the Mexican border trouble.

Acting under the suggestion of Major General Leonard Wood, Colonel Theodore (Terry) Boal, with the assistance of Captain Wilbur Leitze, secured ninety men from Centre, Clearfield and Mifflin counties to come to Boalsburg and go into camp putting themselves under military discipline without pay or sworn obligation. This continued for two months, Colonel Boal supplying quarters, rations, uniforms and horses for the entire personnel. General Wood visited the camp and made a complete inspection, and advised the War Department to accept the services of Colonel Boal and his troop. Finally through the untiring efforts of Colonel Boal, the Secretary of War telegraphed the Adjutant General of Pennsylvania to muster the Boal Troop into the Federal service. This was done in August, 1916, and the troop was designated as the Machine Gun Troop, First Pennsylvania Cavalry. It was then sent to Ft. Gretna for further training. It has been through the high patriotism of men like Colonel Boal that the citizen military part of our country has attained such successful results.

In the spring of 1916 he established the First Belgian Military Cantecier. Returning from France in May he proceeded with the organization of the Boal Machine Gun Troop. On his return from the border he was transferred to Division Headquarters, 28th Division, as Aide De Camp to Major General Clement, the Commanding General of the Division.

He also served as Aide to Major General William H. Muir, the Division Commander in the A. E. F. As such he served through all the campaigns of the division, Colonel Boal receiving the Distinguished Service Cross and the Croix de Guerre for heroism in action.

Colonel Boal through the co-operation of fellow 28th Division Officers who served with him in France, was instrumental and at great personal expense, in setting up one of the only Divisional shrines in the country, in memory of those officers and men of the 28th Division, nicknamed by General John J. Pershing, "Iron Division," who gave their all on the Fields of Flanders. There are monuments at this shrine to Brigadier General Edward Siegert, killed in action at La Forge Farm, France on October 7, 1918, while advancing to the line to take command of the famous 56th Infantry Brigade and the only general officer killed in action during the late World War.

One to the memory of Colonel James A. Shannon, Colonel Feizer, and other 28th Division Officers killed on the Fields of Flanders.

The Society of the 28th Division, A. E. F., at their annual convention at Lancaster, Pa., went on record to perpetuate the Boalsburg (28th Division) Shrine, by authorizing the National President to appoint a committee consisting of one member of each regiment of the 28th Division, A. E. F., with authority to investigate the shrine and recommend that the Commonwealth of Pennsylvania, either pass legislation or arrange through the Department of Military Affairs for the proper preservation of same and maintain it as her shrine. This great Commonwealth. The shrine at present is located on Commonwealth ground and is under the jurisdiction of the State Armory Board, Department of Military Affairs, Commonwealth of Pennsylvania.

## Gunman Draws Long Sentence

(Continued from page one)

N. J., a robbery charge in Minneapolis, Minn., a first degree robbery in Sullwater, Michigan, and a violation of the federal laws at Harrisburg, Pa. The record also reveals that he served time in a State Training School at Red Wing, Mich.

The prosecutor in the Centre County case, Pvt. George A. Panrock, of the Rockview sub-station, related that about 2:40 o'clock Sunday afternoon, June 23, Pvt. Amick went to the Earlston road, near Boalsburg, to investigate an accident which involved the car Leach was driving. When the man could not produce owner's and operator's licenses, Amick placed him in the back seat of the car and proceeded to the Pleasant Gap sub-station for investigation. Panrock said that when the car stopped at the sub-station the men got out on opposite sides and walked to the rear of the machine to enter the building. Amick, who pulled a gun on Amick, relieved him of his service revolver and ordered him back into the car.

Directing the officer to "drive to Pittsburgh," Leach got in the back seat and kept Amick covered with the gun. The officer reached the Weaver crossing at Mifflensburg where a freight train had brought traffic to a halt.

The hold-up at Pleasant Gap was witnessed by Samuel Noll, who owns the building in which the sub-station is located. When Amick and the gunman saw Noll, he immediately went in pursuit, catching up with the Police car at the Weaver crossing.

Corporal Nash went quietly to the Amick car, jerked open the door and covered Leach, while Noll and Amick also took part in the scuffle that ensued. Leach was subdued and brought back to Bellefonte.

Leslie McNeil, a fugitive of Rockview, also was sentenced at Friday's session, his term being two to four years in the Western penitentiary.

According to Deputy Warden C. C. Rhoads' statement in Court, McNeil, originally sentenced from Lawrence County on a breaking and entering charge, escaped from Rockview on the night of February 16, 1934. He went to Ohio where he was arrested and sentenced to the Ohio State Prison. A detainer was lodged against him at that institution and upon his release last week he was taken into custody by Rockview officials.
