TRANSPORTATION OF HIGH P. T. A. PREPARE PROGRAM STUDENTS IS DISCUSSED

At a meeting with about thirty patrons in the high school Friday night, the Potter Township school board agreed to arrange for the transportation of high school students providing the state will per-mit the necessary charge in the American Life."

An investigating committee appointed at that meeting, and J. F Wetzel principal interviewed Glenn F. Rogers. County superintendent on Saturday and found that the budget may be changed to meet the emergency. L. M. Barger and Edgar Rimmey comprised the commit-

At a meeting this week the board will work out the details of the transportation scheme.

#### LOW COST MEALS TO BE AVAILABLE TO PUPILS

Through the Surplus Commodities Commission of the Federal government, Centre Hall-Potter high D. Millon Bradford and Mrs. D. S school has been offered the opportunity of a school lunch plan almost without cost to the students.

The food would be sent here by truck and WPA funds would be used to pay several women to pre-In many schools where this plan is adopted the students pay five

cents a meal to cover the cost of certain perishable foods not among the surplus commodities. Facilities for this plan, such as utensils and tables, are all available at the present time in the Cen-

tre Hall-Potter high school. The only additional expense would be the installation of radiators in the large unfinished room in the west end of the building. The joint board of education will decide within a few weeks whether

to accept or reject the proposition.
