Anniversary: It's happiness that makes life worth while and we are happy to be able to give hearty congratulations to Mr. and Mrs. W. H. Summers of this place, who, on September 24th, reached 55 years of married life together. To have shared each other's sorrows, joys and hope is to have enjoyed a great gift of life. To have lived together all these years is the inexpressible comfort of feeling safe with a person. Having neither to weigh thought nor measure words. But pouring all right out, just as they

are, chaff and grain together—certain that a faithful hand will take and keep them. Keep what is worth keeping and with a breath of kindness. Blow the rest away. Although they are advancing in years, may they enjoy together further, in mind and heart alike, those things which enriches ones life, mellowing the past, bringing to the soul the inspiring thought in these words: O God, whose thunder shakes the sky, whose eye this atom-globe surveys. To Thee my only rock, I fly.—Thy mercy in Thy justice praised! These remarks were contributed by Mrs. Kenzie Williams of Union Township, daughter of Mr. and Mrs. W. H. Summers.
