A Warning:—This warning has been sent out by the Borough Council, having been voted upon at their last business meeting: All young folks of the community "beware" on Halloween that no soaping of windows is done to property or any other destruction of property in any way, as any one caught in the act will be dealt with according to the law. All parents will be held liable for any damage done by their children. It is all right for children to have a good time on that occasion by dressing up and having parties but when it comes to destruction of property for a little fun it is going most too far.
