Urge Ban On Proposed Open Season On Doe

Sportsmen in Centre county interested in setting aside the Game Commission's decision to have an open season on antlerless deer in this county from December 1 to 15, are urged to sign petitions to that effect at once. The petitions are widely distributed throughout the county.

Sportsmen declare that similar steps are being taken in adjoining counties, and that if the open season is set aside elsewhere, the influx of hunters to this area will wipe out the deer herds.

The signatures of a fifty per cent of last year's total licensed hunters is necessary on the petitions to set aside the Commission's decision for an open season. The county petitions are to be collected Saturday, so immediate action is vital. Ralston Derr, of Pleasant Gap, secretary of the Federated Sportsmen's Clubs of Centre county, is in charge of the petitions.

'Peeping Tom' Said To Be Active in Bellefonte

Various complaints regarding the actions of a "Peeping Tom" have been heard on Bellefonte streets for the past two weeks or more.

A Logan street woman reported that while she was reading in the

living room of her home one night she looked up to find a man peering in a window. Upon being discovered he quickly disappeared.

A woman residing near the corner of Allegheny and Howard streets one night last week opened the back door and was startled to see a man crouched by some shrubbery near the door. The woman shrieked and locked the door while the man quickly made his getaway.

A theory has been advanced that the person may have burglary in mind. A rather complete description of the prowler was furnished by one of the two women.
