On Thursday evening, November 21, the young folks of the Miliheim Y. P. M. C. will present a three-adplay, "A Southern Cinderella" i the Municipal Theatre. This play is the story of a girl from the south who has been deprived of her rightful claim by the pride of her grandmother. Finally through a series of circumstances that pride is broken down, and the old will, made out to the grandmother's nurse and her sister, is destroyed and a new one written. The nurse endeavors to burn the new will, but by mistake destroys the marriage license of Mammy Judy Johnson, the black blue-grass widow servant. After a series of unfortunate events, interspersed by the humorous happenigs in the love affairs of Mammy Judy, the will is finally found and the Southern Cinderella comes into her own.
