

OBITUARY

THOMAS HENRY MOTZ

Thomas Henry Motz, well known Woodport farmer, died at his home in that community at 8:30 o'clock Tuesday evening, November 19, 1940, after an illness with a complication of diseases. He was a son of Samuel E. and Lydia Hess Motz and was born in Haines township on June 28, 1857, making his age at time of death 83 years, 4 months and 2 days. He was united in marriage with Ida S. Hosterman who survives with two daughters, Mrs. Stewart Orndorf and Mrs. Paul Stover, both of Woodport. Other survivors include 14 grandchildren and 4 great-grandchildren. Funeral services will be held at 2 o'clock Saturday afternoon at the home, with the Rev. Harry A. Houseal officiating. Interment will be made in the Woodport cemetery.

MISS KATHRYN JANE RISHELL

Miss Kathryn Jane Rishell, formerly a member of the office staff of the Pennsylvania Power & Light Co. in Lock Haven, died at the home of her sister, Mrs. W. J. Slater, Edley, Pa., near Bristol, after an illness of eight months. She died Saturday afternoon at 3 o'clock. The body was brought to the home of her brother, Clyde J. Rishell, of Mackeyville, where funeral services were conducted Wednesday afternoon at 2 o'clock, in charge of the Rev. Roland R. Ritter, of Salona. Burial was made in Mt. Bethel cemetery, near Clintondale. Miss Rishell, who was born and reared at Mackeyville, had resided there all her life, except for two years during which she made her home in Lock Haven with her mother, Mrs. C. A. Rishell, who also survives, with the brother and sister mentioned above. Miss Rishell was a member of the Methodist church at Mackeyville. She was employed by the Music Shop for some years and later served as cashier for the American Store before entering the employ of the power company, where she was a member of the clerical force for about three and a half years, before becoming ill.

May Shorten Banking Hours

(Continued from page one)

The group also considered the opening of a school for bank employees in the county.

The chief reason advanced for the proposed shortening of the banking day is that under the present schedule the clerical staffs are unable to complete their work without exceeding the 40-hour week provided by law. All time worked in excess of 40 hours must be paid for at the rate of time and a half, it was explained. This regulation became effective in October.

Bankers expressed the belief that if banks were closed at 2 p. m. the clerical work could be completed without exceeding the 40-hour week allowed at regular wages. No action was taken, pending further consideration of the proposal.

MacDonald Heimert, of the First National Bank, Scranton, and officer of the Eastern Pennsylvania District American Institute of Banking, explained to county bankers the set-up and operation of local banking schools which are rapidly becoming

Many Openings On NYA Rolls

60 Vacancies in Last Six Months; Applications Now Being Received

Opportunities for employment on National Youth Administration projects in Centre county are available to unemployed youths between the ages of 18 and 24.

Additional openings have been created on account of the large number of youth who leave the NYA program monthly to take jobs in private industry. According to W. I. Scott, local NYA supervisor, more than 60 youth have left the NYA program in the past six months, thus creating places for other youth to obtain work experience through the NYA projects now being operated in this county.

At the present time the facilities of the NYA Work Program are being directed toward close cooperation with the National Defense program. NYA's contribution in this respect is giving young people actual work experience so that they may be better fitted to assume jobs in America's industrial army.

Youth employed on NYA work programs are given the opportunity to obtain experience in the type of work for which they are best suited insofar as the range of local work projects permit. In many cases youth on Centre county rolls have been rotated from one project to another in an effort to afford them actual experience in different jobs.

Applications for NYA employment may be made at the Bellefonte office of the National Youth Administration located in the Logan Fire Hall, Howard street. This office is open Monday through Friday from 9 to 5, and on Saturday from 9 to 12.

For the convenience of applicants living in other parts of the county, an NYA representative will visit Millheim Lutheran Sunday school room, Thursday, November 21, at 3:30 p. m.; Phillipsburg, Ninth street school auditorium, Friday, November 22, at 1:30 p. m.; State College, 2nd Floor Lounge, Old Main, Tuesday, November 26, 3:00 p. m.; Howard, Pennsylvania Railroad station, Wednesday, November 27, 1:30 p. m.

The election is over; this does not mean that you must change your views, if you belong to the minority group. It means that you must recognize the right of the majority to frame national policies.

With the United States committed to giving continued assistance to Great Britain, it looks like the question of war or peace depends upon what Hitler and his allies make of it.

CLUB COLLECTING TOYS FOR CHILDREN OF POOR

The junior section of the Bellefonte Woman's Club makes an urgent appeal for new or old toys that can be put in condition for distribution among the children of the poor at Christmas. Mrs. George B. Thompson has offered the use of a large room in Bush Arcade, where the members may collect toys and meet nightly to work on them. The members are eager to get the contributions as soon as possible, as they plan to begin their activities next week in order to avoid a last-minute rush.

Miss Mary Baum and Mrs. Osborne Lambert will be glad to receive toys at any time and can be reached by telephone if collections are desired. Any member of the junior section is ready to make collections of toys if notified.

BIDS FAREWELL TO PET ELEPHANT; JOINS ARMY

Matthew Ferguson of Camden, S. C., brought his 18-year-old elephant, Alice, to the zoo at Atlanta, Ga., on Monday, bid her farewell and prepared to leave for a year's training with the 179th field artillery, national guard.

Ferguson purchased the two-ton elephant from Clyde Beatty, animal trainer, last spring and has been using her for farm work on his 1,600-acre plantation near Camden.

"Take good care of her," Ferguson told park officials. "She likes all the hay and vegetables you can provide. I sorta hate to go into the army and leave her behind, but these are serious times and we all must sacrifice—even Alice."

Life moves along; the family with two automobiles today couldn't afford a horse and buggy years ago.

Old-Time Religion

A new version of "like father, like son" cropped up in domestic court at Wilkes-Barre, when a 21-year-old bride of four months charged her spouse with threats and non-support. "When I insisted he take a bath," she testified, "he told me that his father only took a bath every six months and what was good enough for his father was good enough for him."

Dies of Excitement

Isaac Bachman, 44, of Lebanon, suffered a heart attack and died while hunting bear on North Mountain in Columbia County. Bachman had sighted a bear and was raising his gun to fire as he fell. He was with a party of hunters from Lebanon.

Advice is easy to give but it is just as easy not to take.
