encouraging. A considerable amount of inbound and outbound express was handled from Bellefonte, he said.

Packages measuring 8 x 8 x 17 inches and weighing up to 35 pounds can be picked up by the planes without landing. Planes will circle and pick up as many additional containers as necessary. The containers of express are picked up from a 20-foot high ground station by a 15-foot retractable arm suspended from a plane flying at 110 miles an hour—the same requirement that is used in picking up mail containers.

Delivery is made in containers constructed to prevent damage to the contents when dropped from the plane. Fragile articles will be eased to the earth from the speeding plane by small parachutes.

Pick-ups and deliveries are made twice a day in Bellefonte, at the station on the Brockerhoff farm a mile or so east of town along the Jacksonville road. The eastbound flight is scheduled to arrive here at 9:25 a. m., and the westbound flight at 3:36 p. m.

Rates are: one-dollar minimum charge for any package from 1 to 20 pounds to Williamsport or Pittsburgh or intermediate points. For longer distances there is additional charge. The charge for packages weighing more than 20 pounds is less, relatively, than for smaller ones.

All American Aviation, a Delaware Corporation headed by Richard C. duPont, of Wilmington, operates five permanent air pick-ups in six states under authorization of the Civil Aeronautics Board.

State Liquor Store Robbed

(Continued from page one)

night of June 14, 1939, the store was broken into and 20 cases of whiskey were taken. This robbery is still unsolved.

Officers from the State Motor Police sub-station at Rockview and investigators for the State Liquor Control Board at Harrisburg are working in an attempt to clear up last week's robbery.

Residents of Snow Shoe are at a loss to account for the robbery.

The liquor store building is near a double house, while there is a store and residence just across the street. Residents expressed the belief the truck used to haul away the loot backed up to the front door of the store, but no one apparently saw the truck or the persons who committed the crime.

3 Killed; 5 Injured In Crash at Tipton

(Continued from page one)

man, 32, of Wood, Pa., "serious;" Mrs. Isabel Decker, 23, of Tyrone, "fair;" and her brother, Donald Miller, 26, of Tyrone "fair."

John J. Clark, 42, also of Tyrone, and one of the drivers, did not receive injuries serious enough to confine him to a hospital.

Occupants of the fourth car, driven by Frank Ferrori, 26, of Tyrone, Mrs. Rachilde Racasi, 58, of Tyrone, her daughter, Mrs. Josephine Peduzzi, 32, and the latter's 13-month old daughter, Theressa Ann, of Mount Union, suffered only slight injuries that did not require medical treatment, a Tyrone physician said.

State Motor Police Private Andrew Hudicka said he learned that Roman, a hitchhiker, was picked up by Pendelton in Mount Union. Hudicka revealed that Pendelton had been drinking and that a bottle of liquor was found in his automobile after the crash.

Hudicka said that the car alleged to have "fled" from the scene following the crash was driven by Attorney Charles M. Kurtz, of 225 Logan Avenue, Lyswen. The attorney, the state trooper said, appeared at the police barracks and disclosed that he did not flee, but assisted in removing several of the victims to the hospital.

Blair County Coroner Chester C. Rothrock meanwhile reported an inquest will be deferred pending recuperation of those injured.

Funeral services for one of the death victims, John Oliver Orbison, 71, Negro, of 2205 Twelfth avenue, were held Sunday afternoon at Altoona.

State Policeman Andrew Hudicka said Pendleton, Orbison and Roman were riding in a car headed west which swerved across the road about 300 yards southwest of the Tipton airport, and struck three other cars, all headed east. The first car, Clark's was knocked into a ditch.

Pendelton's machine then continued on to collide head-on with a car driven by Donald Miller of Tyrone, Miller's car was almost immediately struck from behind by an auto driven by Frank Ferrori of Tyrone.

Mrs. Gingerich and her son were passengers in the Miller car.

Police blamed reckless driving on Pendelton's part as the cause of the crash. Investigation was made and is being continued by Private Hudicka, Rothrock, and John Paxton, of the motor police.

Following are the obituaries of the other two victims, Mrs. Dorothy Gingerich of Tyrone and her son, Carl Harold.

Mrs. Dorothy Gingerich was a daughter of Cloyd and Renetta (Seeger) Miller and was born in Tyrone, February 11, 1907. On July 16, 1924, at Tyrone, she was united in marriage with Carl Lewis Gingerich.

She is survived by the husband and three children: Aline, David and Richard, at home, and these sisters and brothers: Miss Maude Miller, Miss Gertrude Miller, Miss Florence Miller, Mrs. Izabell Decker, Fred Miller, Charles Miller and Donald Miller, of Tyrone, and Mrs. Vera Zimmerman, of Williamsburg. Mrs. Gingerich was a cousin of Miss Geraldine Bilger, Mrs. Mayme Waite and Mrs. Alice Hazel, all of Bellefonte. Her husband has been seriously ill in the Altoona Hospital, and she was on her way home from visiting him at the time of the crash.

She was a member of the First Presbyterian church.

The son, Carl Harold Gingerich, was born in Tyrone June 30, 1925. He was also a member of the First Presbyterian church and was a freshman in Tyrone high school.

Nobody knows what the next twelve months hold in store for the people of the United States, but it is safe to assume that there is sacrifice ahead of every loyal American.

Reconsider Mine-Sealing Project

WPA May Reopen $100,000 Program; Centre County Mines Affected

The Works Projects Administration at Washington is re-considering a $100,000 mine-sealing program along the Susquehanna River's West Branch and "indications are that it will be approved," a WPA spokesman declared last week.

Approximately a quarter of the necessary funds was raised by sportsmen's organizations in affected counties—Lycoming, Tioga, Clinton, Centre, Elk and Cameron—and the Forest and Waters Department had been designated as nominal sponsor, but the agency's engineering department at Washington rejected the proposal several weeks ago.

The spokesmen said, however that State WPA Administrator Philip Mathews had urged the department to re-consider the matter "since it has a great deal of merit." He said Mathews' plea resulted in WPA's decision to send J. K. Hoskins, of the U. S. Public Health Service, to Harrisburg to confer with the State agency and the Forest and Waters Department on the matter.

John C. Youngman, Williamsport attorney and president of the Pennsylvania Federation of Sportsmen's Clubs, will be invited to attend the conference, which will be held "within the next week or 10 days," the spokesman said. He explained that Youngman had been "highly instrumental" in originating plans for the projects, which were designed to eliminate the seepage, and had done "a great deal toward raising the necessary sponsorship funds."
