DEAR PATRONS:

We are flinging wide the doors on our February Furniture Sale! Beginning our 100th year, we know our semi-annual sales have been real events in Centre County and we want to let you know about this one in advance, in order that you can make your plans now.

This is a sale you can plan on without disappointment. Every item is our regular high quality merchandise from Jamestown, Grand Rapids, and of course, the more moderate priced furniture and rugs . . . you will not be 'let-down' by any cheap special sale merchandise.

You will be able to profit because you are sure of genuine savings—a discount you take from the original price tags, from 10% to 50%. And our liberal budget plan on sizeable purchases, mean you can buy now and pay for them in the future when prices are higher.

Compare your present furnishings with the furniture of your 'dream home.' List the pieces you need to make that all-important difference. You will find them at prices that will fit into your ideal budget at BRACHBILL'S FEBRUARY FURNITURE SALE.

We hope to see you bright and early on January 25th.

Sincerely, W. F. BRACHBILL.
