# **Pockets Of Gas Pressed** On Heart—Feeling Nervous Then Tries Williams Formula

"I Got Relief From Jumpy Nerves, Gas Pains, Constipation afternoon when they were hurled By Using WILLIAMS FORMULA," Says Pa. Man.

Isn't it happy news to hear of a friend who has received relief from his distress? And for just this reason and also because they want to help others find similar relief, local people from all over are attesting to their experience with the well-known Williams Formula ms Formula.

After trying Williams Formula for himself, Mr. R. S. Fishburn, 314 Mc-Millian St., Johnstown, has this to

"I have taken Williams Formula to relieve incomplete bowel elimina-tion and gas bloat pains. I was also nervous and felt tired and run-down from this distress. Williams Formula has relieved the gas pains and stimulated my intestinal elimination so that I feel better and more full of pep."

What Is Williams Formula? What is williams Formula?
Williams Formula combines in one pleasant - to - take medicine, these many splendid qualities. Stomachics for increasing appetite, mild laxitives to ease out gas and bloating and bring relief from distressing constipation symptoms, and mild diuretics to help promote urine flow and thus relieving smarting urinary pains in bladder and passages, besides extra iron.

SEE FOR YOURSELF Knowing full well that only YOU

SOME NEW YEAR'S RESOLU-TIONS FOR POULTRYMEN

At this time of year, when old Father Time with his long beard and scythe turns over the reins to that young fellow in the three-cornered pants, it seems to be the custom to make new years resolutions. Far be it from us to ignore such a guarded old custom, so herewith we have set forth a set of resolutions for the poultryman. Peering into the future with the help of our crystal ball we can see a happy and prosperous New Year for the poultryman who follows these resolu-

1. I resolve, first of all, to give my poultry flock more attention in the past.

2. I resolve that my baby chicks can Spanish War Veterans of will not have to live in crowded Bellefonie, named the following of- quariers, and that they will receive ventilated, and warm brooder house for their home. I resolve that the protection

of these chicks from ravages of disease will be a major activity in my 1941 chick raising program. But Dale; adjutant, Toner A. Hugg; if they do become sick, they will quartermaster. Milton W. Reed; receive prompt medical treatment. 4. I resolve that there will be no trying to get by with cheap feeds lor; sergeant, David Dale; quarter- in 1941; my chicks, growing birds and layers will receive only the

5. I resolve that both internal and external parasites, too, will feel the brunt of my efforts to do a better job of raising poultry. My growing birds and my layers also will receive the benefits of a regular worm control program, employing sanitation as well as medicines.

6. I resolve that last, by no means least, my pullets when housed will go into a clean and thoroughly disinfected laying house. This laying house will be cleaned each month, and a sharp eye will be kept on the lookout for lice and mites or any other condition that may jeopardize the health of my

## Sunday School Lesson

WARDS POSSESSIONS

International Sunday School Lesson for February 9, 1941,

GOLDEN TEXT: "Ye cannot serve God and mammon."-

Lesson Text: Luke 16: 10-15, 19-23

It will probably surprise people to learn that Jesus had more to say about earthly possessions and man's relation to them than about anything else. Jesus never condemned money, as such, or the possession of money. He never loved poor. He condemned in ringing tones the wrong use of money, the covetousness which usually accompanies the accumulation of great wealth and putting the accumulation of material things before and above the kingdom of God.

of every seven in the four Gospelsrelate to this theme"-earthly possessions and man's attitude toward each person has a fixed amount of them. The average church mem-W. C. Kephart, et ux, to Ada Mary ber enjoys hearing his pastor preach other hand, it is that people will

The first section of the printed text for our lesson follows immediately after Jesus' parable of the Unjust Steward, in which Jesus poin ed out that most men are shrewd enough when it comes to their own material welfare and that they should use some of this same shrewdness in the more important. spiritual manners of life. ertainly did not approve the methshrewdness of the unjust Rebekah B. Green, to Janet G. steward.

Jesus declared, "No man can serve two masters." This is a truth that has been demonstrated innumerable Spearly, et al, of Bellefonte, tract times. A person may divide his altention or his time between two duties, but he can give his supreme loyalty to only one. There can be no middle ground.

The second portion of our printed text concerns he story of a rich man we have come to know as Dives to and a poor beggar, Lazarus. This parable was spoken by Jesus

to rebuke the sin of selfishness, and responsibility, teaches the truth that retribu-The name, "Dives," is not a prop-

of the life hereafter. We have the picture of two men

contrasted: Dives, his fine clothing. his luxurious living, and his selfish employment of the good things of trusted. life. On the other hand, Lazarus, The tragedy of the story lies in

by the suffering and distress of a fellow man. A thought for most of us lies in the fact that in this day sibly lying at our gate, as well. Dives accepted the different circumstances in life which came to him and Lazarus as a maiter of careful choice." course. He did not ask as to the cause which produced such an undesirable condition of life for a
