JOU HAVE TO GET two things to complete a

Y really good "deal" when you get a new car -

and your Ford dealer would like to have you try

him out on both! First, you want a good allowance

for your present car - and all he asks is a chance

to make an offer! And next, you want a lot of value

in your new car - and that means a Ford this year

This is the biggest Ford and biggest value in all

Ford history. Its passenger room exceeds anything

else in its field. Its soft and quiet new ride is one of

the motor year's most talked-about improvements.

Its engine is a smooth V-8, which you enjoy at no

extra cost for either gas or oil. And its bodies and

style are really new this year, all the way through.

If you're trading cars this year and want to be sure

more clearly than ever before!

you make the most of

your trade ... the man to

see is your Ford dealer. Now is the ideal time.

ATLANTIC STATES GAS For ECONOMY In

Cooking

Retrigeration

Water Heating Space Heating

Local Representative,

Take COOKING for example:-The Tappan Gas Range used by Atlantic States customers, represents the last word in cooking appliances . . . has ALL modern features . . . and yet is available at especially low prices. And what's more, the Tappan with Atlantic States Gas costs you only about 8c a day to operate!

THIS IS JUST ONE PHASE OF THE SERVICE RENDERED BY ATLANTIC STATES TO ITS JUST IN CASE YOU HAVEN'T HEARD.

HERE'S HOW IT WORKS-

- Atlantic States Gas sinks a rust-proof, welded steel tank
- · From this tank gas is piped into your home.
- Service trucks keep the tank full (you don't even have to order the gas). • The tank holds at least six months' supply of gas.
- · A standard gas meter records the amount of gas you use.
- · You pay for the gas you use, only after you've used it.

SENIORS TO GET ADVICE ON JOBS AT PENN STATE

With engineers greatly in demand, Seniors enrolled in engineering courses at the Pennsylvania State Colduring the second semester based on professional practices and relationship that they will need to know

Dr. H. P. Hammond, dean of the College's School of Engineering, said that the remaining weekly lectures in the annual series for seniors would be devoted entirely to post-employment problems. The preceding lectures dealt with the mechanics of getting a job, including interviews and letters. The lectures are given by engineers and industrial The demand for trained engineers

far exceeds the supply at present, said Dean Hammond. There are enough churches in Bellefonte to suit everybody; pick one for yourself and join it. If you already belong to a church, support it and its work.

Never Neglect The Slightest Cut

Every wound, however small, is an open door for the deadly germs of infection, Protect yourself at once by applying antiseptic SAN-CURA OINTMENT. It relieves the pain and helps the tissues heal quickly and in a healthy manner. Antiseptic SAN-CURA OINTMENT is splendid for minor burns, bruises, skin irritation and piles. 35c at all
