days at the time of death. His wife, the former Susan Booney, passed away a number of years ago.

Surviving are these children: Mrs. Carrie Wolf, Mrs. C. B. Schenck, and H. A. Kline, all of Howard; and Mrs. Alice Decker of Roaring Spring. A sister, Mrs. Albright, resides in Los Angeles, California.

Mr. Kline's death breaks a family of five living generations, all residents of Howard. He represented

ed the oldest generation. Next in line was his daughter, Mrs. Carrie Wolf; then his son, Kline Wolf; then his son, Richard Wolf, and finally, Richard's two-year-old daughter, Patty Wolf.

Mr. Kline was a member of the Christian Science faith. Funeral services were held Monday afternoon at the Schenck home, with Mrs. Emma Kirk, of Williamsport, Christian Science reader, officiating. Interment was made in Schenck's cemetery, Howard.

Additional Locals

(Continued from page five)

—Mrs. Louise Taylor Manchester, of East Linn street left during the weekend for a visit with friends in Philadelphia. She will go to New York City for a visit with her cousin, Miss Betty Taylor.

—Max Kelley, of Chester, former Bellefonte resident and nephew of Edward Johnson of West Linn Street, was inducted into the U. S. Army at Station No. 1 Philadelphia, and was sent to the Ft. Lee, Va., reception center during the latter part of last week.

—Plans are completed for the marriage of Miss Betty Sommers, daughter of Mr. and Mrs. Edgar Sommers of Pleasant Gap, and J. Kenneth Walker, son of Mr. and Mrs. Roy Walker of near State College. The wedding will take place Saturday evening at 6 o'clock in the Pleasant Gap Methodist Church. Miss Sommers, graduate of the Bellefonte High School and the Altoona School of Commerce, has been employed in the Waterrock Quar-

ries offices in Bellefonte for the past two years. Mr. Walker, graduate of State College High and Penn State, is manager of the Klingler farms at Millbrook.

—The Muncy District Scouts will hold a first aid court at the Bellefonte Y. M. C. A. at 7:30 o'clock Friday, March 28, with seven patrols from three troops competing. Awards will include the health and safety cups. Judges of the events will be Red Cross first aid instructors. The public is invited to attend the court.

—Mr. and Mrs. William Johnson, of Alliquippa, on Tuesday became the happy parents of a daughter, their first child, born at Alliquippa. Mrs. Johnson is the former Jean Poorman, daughter of E. H. Poorman, of South Water street, Bellefonte. Mr. Johnson is a son of Mrs. Anna Johnson, of Valentine street, Bellefonte.

—Dr. R. H. Hoffman and his brother, Sheldon A. Hoffman, returned Sunday night to Bellefonte from a motor trip to Florida. The men, who spent most of the time fishing along the east coast, visited in Stuart, Fort Lauderdale, Miami and Key West. In Fort Lauderdale they visited with Mrs. James McClain, formerly of Bellefonte.

—Mr. and Mrs. A. R. Everett, of East Howard Street, Bellefonte, and Plummer Flick, of Fleming, returned north last Thursday from a six weeks' motor trip to Florida. The Everetts, with Mr. Flick as chauffeur, left here early in February and lived comfortably on the trip in a spacious trailer attached to their car. They spent most of their time at St. Petersburg and Tampa, but visited several other cities, includ-

ing Daytona Beach. Mr. Everett, for many years a letter carrier out of the Bellefonte postoffice, was forced to retire last May because of ill health. The trip south is reported to have been of considerable benefit to his health.

—Dr. and Mrs. E. H. Adams and Mrs. Paul M. Gorman, all of North Allegheny Street, spent Wednesday of last week in Pittsburgh on a business mission. While there Mrs. Gorman spent much of the time with her brother, Robert Newmeyer, of Duquesne, who has been a patient in a hospital here since late in February when he suffered severe burns about the face, head and arms in an explosion in the Duquesne steel mill. Mr. Newmeyer is reported to be recovering slowly

and from present indications it is believed that he will have no permanent disability as a result of the burns.

—Mr. and Mrs. E. E. Widdowson returned to their home on North Allegheny Street, Tuesday, from a two day business trip to Philadelphia.

—Observing motorists passing Rockview penitentiary call attention to the condition of the U. S. flag on top of the main cell block at the prison. The flag, they claim, is badly in need of replacement. They report that only a part of the blue field is left of the national emblem, the rest having been whipped away by the action of weather and winds. Some of us have long felt

that it is a bit incongruous to have the symbol of liberty floating over a prison cell block, but as long as the symbol was kept in good shape we couldn't complain too much.

To Reopen Local Abattoir
