Jacob Hinkleman and family expect to leave Bellefonte next Saturnail factory.... The season for bass with an arsenal in his hip pocket. fishing opens on the 1st, of June. A number of our anglers are preparing for a day's sport along the Bald Eagle Creek.

A reservoir is being built at Centre Hall to supply that town with water that will have an elevation of 500 feet. It is calculated that this will give a presure of 100 pounds to the square inch and will be about as effective as a fire engine for throwing a stream with a hose. The reservoir will be located on top of Nittany Mountain where there is an excellent stream of spring water.

Mrs. Margaret Keller died on Saturday at her late home in Boalsburg, at the advanced age of 77 years. She was the wife of Henry Keller who preceded her to the grave some seven years ago. There are six children still living of this family and are Mrs. J. W. Rhone, of Col. D. S. Keller, our this place; townsman; Misses Clara and Sallie and B. Frank Keller, of Washing-The funeral occurred from their late residence at Boalsburg on Tuesday morning.

On Friday a delegation of some fifty Senators and Representatives visited State College. As they had heard so much about this institution they were anxious to pay it a visit, as well as the regularly apcommittees. They were pointed shown about the various buildings and over the extensive grounds where they witnessed a full dress They were more than parade. pleased with the showing and left almost promising to send back a nice appropriation.
