The Wetzels and Farrow conducted one of the country's few chinchilla "farms," at New Market.

—Under an arrangement with officials of Bellefonte Borough, Spring Township and the State Highway Department, the "missing link" of paving on Holmes Street, from Willowbank Street to Valentine Street, was paved, Tuesday, by the Highway Department. Holmes Street was reconstructed last summer during the construction of the Bellefonte-State College Highway and at the upper end, near the entrance to the Centre County Hospital, a portion was left unpaved because it was in Spring township jurisdiction and was left unpaved until the highway was paved.

—For their annual "National Music Week" program "Spring Festival" as presented by the first six grades of the Allegheny and Spring street schools was well received by one of the largest audiences the Spring street gymnasium has ever welcomed at a school performance. Supervising Principal, Earl K. Stork, principal of Spring and Allegheny, Fred Hill, teachers and students, as well as Mrs. Krader, were pleased with the interest shown by the parents. The whole program moved along beautifully and held the interest of the audience throughout. Every group that appeared came in with a goodly cheer of the applause. Even "Pussy Cat"—a large cardboard painting made by Mrs. Hilda Leathers—scored a decided hit, in fact so much so, that one tiny tot added extra and unrehearsed comedy to the scene when he decided to leave mother and run on stage for the "Kitty." The performance was repeated on Monday afternoon for the first six grades of Bishop street school and parents who were unable to attend Friday's performance.

—Wayne W. Weber, of the staff at the Middown Funeral Home, went to Reading yesterday to attend a convention of funeral directors.

—Miss Helen Beizer, local insurance agent, is confined to her home on East Bishop Street, as the result of injuries received in a fall on Allegheny Street, Friday, slipping on a piece of waxed paper. Miss Beizer suffered sprains of the left ankle and a fracture of the right knee cap. The injuries were examined by x-ray at the Centre County Hospital, Monday morning.

They expect to return to Bellefonte during the weekend.

—Mr. and Mrs. Cecil A. Walker, of the Orvis apartments, East Curtin Street, are the parents of a fine baby girl, weighing 8 pounds, 2 ounces, born at the Centre County Hospital about 7 o'clock Monday morning. Baney, Guy Johnson, John Garman, Nelson Kling, and Fred "Slab" Lucas.

—Mrs. Ivan Walker, wife of Judge Walker has been confined to her home on East Linn Street since last Thursday night when she suffered an injury to one ankle in a fall on the sidewalk at the Masonic building on North Allegheny Street. Mrs. Walker and several friends were walking along the sidewalk when the heel of one of her shoes was caught in a gutter which crosses the sidewalk, causing her to trip. At first it was believed that one of the ankle bones had been fractured, but the injury has been found to be a severe sprain. Responding so readily to treatment that this fear has been dispelled.

—An anticipation of greatly increased traffic on South Water Street as soon as the new Bellefonte-State College Highway is opened. Bellefonte Council has decided to prohibit parking on both sides of South Water Street from High Street to the railroad crossing at the Corner and Hess grocery. While the ruling will be inconvenient for tourists who gather on South Water Street to see Bellefonte's famous trout, at the falls, it will eliminate what has been a serious hazard for many years. Last Sunday traffic was completely halted on several occasions because of cars parked on both sides of the street. Had fire apparatus answering an alarm gone down High Street and turned south on Water Street during the afternoon, it is anyone's guess what might have happened.

—Most of us don't realize it, but it is claimed to be a fact that many of the trucks passing through this area these days are carrying defense products. The story goes that a Motor Police Officer recently stopped a large truck which was obviously over-loaded. He asked the driver what he was hauling and the driver said he didn't know, and invited the officer to get into the truck. When the officer went to the rear of the machine he found the doors locked and sealed with a government seal. The officer, it is related, declared he wouldn't allow the truck to move until he knew what was going on. So the driver told him to call a certain "government man." When that worthy arrived at the scene he was somewhat agitated; told the officer that the truck was hauling defense goods and that many other trucks were doing the same thing. He pointed to the urgency of transporting the materials swiftly and asked the officer to aid any way he could in the future. The officer, it is claimed, still doesn't know what was in the truck.

Local Alumni To Attend Dinner

Committee Extends Invitation to All Former Students, Alumni, and Friends

Because so many Bellefonte Academy graduates reside in Centre county, the committee in charge of the annual Alumni banquet to be held at the Brockerhoff Hotel on Saturday, May 24, announces that no invitations have been mailed to Centre counties.

This policy was adopted because the banquet is urged to make reservations at once with George Carpeneto, chairman of the local committee.

Reservations to date indicate a record-breaking attendance. Doc O'Brien, of Scranton, whistler and pianist, has indicated that he will be there with Jack Gilligan, former coach and teacher at the Bellefonte High school.
