**Carnival at Spring Mills, July 4 and 5**  
The annual carnival sponsored by the Gregg Township Civic Club to raise funds toward payment of the costs of street lighting at Spring Mills will be held at the Spring Mills athletic field on Friday and Saturday, July 4 and 5.

The featured attraction on the Fourth will be an appearance of the Tironne sisters, of Hughesville, well known radio entertainers. Other radio entertainers will be present on Saturday. **VISITORS IMPRESSED WITH HOWARD NURSERY ACTIVITIES**  
The Howard Nursery Side Camp was thrown open to the public on May 19, 1941 for the purpose of acquainting the general public with the aims and activities of the Civilian Conservation Corps Camps.

Visitors passed through the camp all during the day observing the boys in all phases of their daily routine. The enrollees presented a very nice appearance in their "suntan" uniforms which they began wearing on May 15, 1941.

Frank Sass, senior foreman, explained the work being done at the nursery to the visitors who visited the work project. Most visitors were amazed at the amount of work that has been done by the enrollees and also at their efficiency.

Lt. Allan S. Ingalls, Commanding Officer at HNSC, showed how the administration is carried on. He also explained the educational program and showed the facilities for recreation. Following the evening meal, the visitors were entertained by a softball game between the two barracks. Some of the visitors wanted to see the boys in their National Defense Training course in radio.

**Scout Troop No. 2 Entertains Mothers**  
Thirty-five mothers were present at the Evangelical church last Thursday as Troop 2 conducted an amateur hour in honor of Mother's Night.

The meeting was opened by the various patrol leaders taking individual parts in reciting the oath, laws, and pledge. Following this the Scoutmaster, Guy Poorman, welcomed the mothers. After the patrols had dispensed with their business meetings Orlando "Pete" Smith led the group in several songs.

About 8 o'clock the Amateur Hour started and the following awards were made by the judges: Herbert Main, first; James Spicer, second; Frank Musser, third; Robert Woodring, fourth; and Kenneth Barnhart, fifth. Results for groups in the contest were as follows: Flying Eagles, first; Flaming Arrows, second; Ken Hollabaugh and George Teaman, third; and Bob Woodring and Dick Gordon, fourth.

Scouts gave to each mother present a small favor consisting of a miniature lapel pin of the particular rank which they had reached. After announcements were read the meeting was closed with the singing of taps and reading of Scoutmaster benediction.

**Elevator Completed at Ho-pital**  
Installation of the new elevator at the Evangelical Hospital, Lewisburg, has been completed but the remainder of the \$12,500 improvement at the institution will not be finished for several weeks. The elevator eliminates the use of stairs from one ward to the other by nurses and also hospital attendants. It is also valuable in handling patients in the hospital which has been crowded to capacity during the past few weeks.
