FOODS CAN'T DRY OUT BECAUSE THE ELECTRIC ROASTER IS SELF-BASTING

Accurate cooking temperatures and sealedin heat-those are the reasons an electric roaster makes the same foods taste better for the same cook.

The sealed-in heat bastes your meats, then cooks them to a juicy, tasty tenderness. Nature's finest flavors are developed in vegetables-the good tastes don't escape. Every meal is a success. Every baking venture is a thrill-all because of accurate, sealed-in heat!
