College House Is Scene of Fire

Occupants Climb on Roof of Threatened Building to Give Alarm

An hour's work by the Alpha Fire Company, State College, early Tuesday morning kept a blaze caused by an overheated electric iron in the Blue and White rooming house at the corner of Beaver avenue and Burrows street, confined to two rooms and held losses to an estimated \$300.

Damage \$1,000 In Crash Near Millbrook

Nearly \$1,000 damage resulted to two cars and a truck in a collision on route 45 between the Evergreens and Millbrook Monday afternoon about 1 o'clock. Three men received slight injuries.

The cars were operated by Baptist I. Shank of Oak Hill, and Roy Fogelman of Lemont. The truck, which is owned by the Paul Construction Company, was being operated by Elvin J. Costlow, of Hollidaysburg.

County Truckers to Meet Here Monday

An important meeting of the Centre County Truckers' Association will be held Monday evening, June 16, at 8 p. m. (EST), in the Republican headquarters, on West Bishop street, Bellefonte. It was announced yesterday. All truck owners and operators are urged to attend.

The association, organized about a month ago, is not a political unit, officers said, expressing a fear that the public may gain a false impression from the fact that the meeting Monday is to be held in a political headquarters.

Boy Drowns In Whipple's Dam

(Continued from page one)

located near Petersburg, when his companions dived from the raft and swam to shore. While he was alone on the raft, his companions saw him double up and fall into the water.

Alpha firemen rushed rescue work under lights from one of the trucks and succeeded in bringing the boy to the surface after he had gone under the second time. Apparently panic-stricken, the drowning youth is said to have fought off his rescuer and when the latter tired before aid reached him, Furgullia slipped under the water.

WARNING TO PARENTS

The Bellefonte School Board wishes to call the attention of parents to the fact that the construction activities on the new high school building cause a situation which is dangerous to children. Many youngsters have been accustomed to playing on this site and parents are requested to impress upon their children that this practice should be discontinued, and that their natural curiosity should also be placed under restraint so as to prevent their wandering onto the grounds at any time either during the day when construction work is going on or after hours when no adults are there who might be responsible for them.
