Boil 1 package of dates in 11/2 cups of water until soft. Put in a flat buttered pan, then a layer of the crumb mixture. followed by a layer of dates, then a thin layer of crumb mixture on top. Bake 35 minutes in a moderate oven. If desired serve with whipped cream.

"If you want to be pretty, eat carrots;" how often have we heard this remark? There is a good deal of truth in this saying, as carrots contain many good qualities that have a direct bearing on good Payments for the week totaled \$1,-669, which was \$1567 lower than health. Many delicious dishes may those of the comparable week of be prepared by combining carrots last year. Current payments required with other vegetables. Try the following and see for yourself.

Peas

water till tender. Plunge in co'd the Fred Stamm farm at Greenwater and slip off the skins, then burr. cut in cubes. Cover with melted butter and then add 3 tablespoons of granulated sugar and 1 teaspoonful of fresh mint leaves finely minced. Cook slowly until nicely glazed, then add a pint of fresh peas which have been cooked separately. Stir have been cooked separately. Stir there as I will not be responsible for any debts she may contract. PAUL GETING. Carrot Souffle X28 Bellefonte, Pa.
