AN AUTOMATIC ELECTRIC RANGE WILL GIVE YOU FREE TIME

You can cook meals that "taste like more"-yet you'll have plenty of time for your hobby or other things-if you cook with an electric rangel

It's automatic cooking, you see and positively dependable-correct temperatures by the mere turn of a switch! The foods require no attention while the cooking is going on -yet, when it's meal time they're juicy and delicious, just right! Electric heat does just one thing-the cooking. It has no flame to heat up your kitchen-whether it's oven or platform cooking.
