### Famous Showman, Peter Hauntz Further Recollections of The

tile newspaper writer gives another claimed." interesting sketch of the life of Mr. Shoemaker, the narrator made in Agar's grove, and, of course, we deavor, 6:45. the following statement:

"I've been reading," he said, best liked of them all. ventriloquist who traveled through out beside him. central Pennsylvania for 40 years after the Civil war.

Potter's Bank, Centre county, kept Dillin. a blacksmith shop in Mill Hall, Clinton County, for many years, and Peter Hauntz was a regular patron up almost to the day of his death.

of Abraham Lincoln when 'Father ens need the grass and bugs.' Abraham' let his black beard grow long, his eyes were dark like the Emancipator's and he wore a long black frock coat. He drove from place to place in a closed wagon, like a market wagon, where he kept his show, by himself in his younger days, but his wife or daughter would be with him when he got

"He was alone when the pusherengine hit him and demolished his wagon, killing him and his horse back about 1905, I think,

"Sometimes he drove a grey fletbitten horse, other times a black. Those were his favorite colors.

"When he got to a mountain village, he'd contact the town crier or constable, who would go up and down the street blowing his horn or ringing his brass bell, crying out Hauntz has come to town Peter Hauntz has come to town,' and the school would be packed to the doors that night.

"If Ed O. Smith, the Punxsutawney poet, and a good one, too, said the poppets were a little under life size—he meant sizes of children, not adults. The one we thought was alive, he called Julian, surely had some mystery about her He always got her out of the way if any kids managed to get behind the scenes. She was more supple than the rest. She may easily have been that child Herodia Kimmel, that went off with the show to escape a lickin' at home—and they felt the effects of their punishments for weeks in those days. Most parents are more humane now.

"Or she might have been a little scare the kids.

Is deside the lit and wisdom of the gentleman sat down for a more to consider his next move, the ment to consider his next move, the last row, the one with the snape of his conductor's lap looking about the peter of his local bar association and of his local b 'See the pretty girl in the next to is," he announced.
